

COLLET NECK SIZER DIES - LEE PRECISION .300 WIN MAG COLLET NECK SIZER DIE ONLY

[Reloading](#) > [Reloading Dies](#) > [Rifle Dies](#)

There is no loading system that will load more accurate ammunition than Lee Collet Dies. A collet squeezes the case neck against a precision mandrel for a perfect fit with minimum run-out. No lube case is needed. Cases last ten times longer, so the savings on only 35 cases will pay for the dies.

Safety Instruction Guide for COLLET NECK SIZER DIES LEE PRECISION .300 WIN MAG COLLET NECK SIZER DIE ONLY

Introduction

Thank you for choosing the COLLET NECK SIZER DIES LEE PRECISION .300 WIN MAG COLLET NECK SIZER DIE ONLY. This guide provides essential safety instructions to ensure the safe use of this product. Please read the entire guide carefully before using the die.

General Safety Guidelines

- Ensure you are familiar with the operation and handling of reloading equipment before use.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when reloading ammunition.
- Keep the workspace clean and organized to prevent accidents.
- Store the die in a dry, secure location out of reach of children and pets.
- Regularly inspect the die for any signs of wear or damage before use.
- Follow all local laws and regulations regarding ammunition reloading.

Specific Safety Precautions for Use

- Do not use the die for any purpose other than its intended use of resizing necks of .300 Winchester Magnum cases.
- Avoid overtightening the collet during use, as this could damage the die or the cases.
- Ensure that the case is properly aligned in the die before applying pressure.
- Never attempt to resize a case that shows signs of excessive wear or damage.
- Use only the recommended type of cases with this die to prevent malfunctions.

Instructions for Installation and Usage

1. Installation:

- Ensure the reloading press is securely mounted and stable.
- Insert the collet neck sizer die into the reloading press according to the manufacturer's instructions.
- Adjust the die until it is properly aligned with the ram of the press.

2. Usage:

- Prepare your .300 Winchester Magnum cases by cleaning them thoroughly.
- Place a single case into the shell holder of the reloading press.
- Slowly raise the ram to engage the case with the die.
- Apply consistent pressure to resize the neck of the case.
- Once the resizing is complete, lower the ram and remove the case.
- Inspect the resized case for proper fit and any signs of damage.

Disposal Instructions

- Dispose of any damaged or unusable components in accordance with local regulations.
- Do not dispose of any reloading components in general waste. Instead, check for local recycling programs or hazardous waste disposal facilities.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's documentation or website.

By following these safety instructions, you can ensure a safe and effective reloading experience with your COLLET NECK SIZER DIES LEE PRECISION .300 WIN MAG COLLET NECK SIZER DIE ONLY. Always prioritize safety and compliance with local laws while handling reloading equipment.
