Safety Instruction Guide for QUICK TRIM DIES LEE PRECISION 22250 REMINGTON QUICK TRIM DIE

Introduction

Thank you for choosing the Lee Quick Trim Dies for your reloading needs. This guide provides important safety instructions to ensure safe and effective use of the product. Please read this guide carefully before using the Quick Trim Dies.

General Safety Guidelines

- Always use the Quick Trim Dies in accordance with the manufacturer's instructions.
- Ensure that the workspace is clean and free of obstructions before starting any reloading activities.
- Keep the Quick Trim Dies out of reach of children and unauthorized users.
- Wear appropriate safety equipment, such as safety glasses and gloves, when using the product.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not exceed the recommended cartridge specifications for the Quick Trim Dies.
- Inspect the Quick Trim Dies for damage or wear before each use. Do not use if damaged.
- Ensure that all tools and equipment used in conjunction with the Quick Trim Dies are in good working condition.
- Never attempt to modify or alter the Quick Trim Dies in any way.
- Always ensure that the Quick Trim Dies are securely attached to the trimmer before use.
- Avoid placing hands or fingers near moving parts during operation.

Instructions for Installation and Usage

1. Installation

- Ensure that the trimmer is unplugged or not connected to any power source before installation.
- Align the Quick Trim Die with the trimmer's mounting point.
- Securely attach the Quick Trim Die according to the manufacturer's instructions.
- Doublecheck that the die is firmly in place before proceeding.

2. Usage

- Prepare the cartridge case by ensuring it is clean and free of debris.
- Insert the cartridge case into the trimmer with the Quick Trim Die attached.
- Follow the manufacturer's instructions for operating the trimmer.
- Monitor the trimming process closely and stop immediately if any irregularities occur.
- After trimming, remove the cartridge case and inspect it for any signs of damage.

Disposal Instructions

- Dispose of any damaged or worn Quick Trim Dies in accordance with local regulations.
- Recycle packaging materials where possible to minimize environmental impact.
- Do not dispose of Quick Trim Dies in household waste. Check with local waste management for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please refer to the manufacturer's contact information provided with the product.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy your reloading experience with the Lee Quick Trim Dies!
