## A Purpose-Built, Reliable Magazine for the 350 Legend

CMMG led the way in AR-based innovation surrounding the hot, new 350 Legend cartridge designed for the AR-15, and that led the company to develop the first magazines on the market designed to reliably feed the new round in any standard AR-15 magwell. Each CMMG 350 Legend AR-15 magazine are made with a stainless-steel body treated with an all-black finish. Inside the magazine, users will find an anti-tilt follower that enhances feeding. The magazines weigh 3.2 ounces and are available in 5- or 10-round capacities.

## **Introduction**

Thank you for choosing the CMMG .350 Legend 20Round Magazine for AR15. This guide provides essential safety information, usage instructions, and disposal guidelines to ensure the safe handling and operation of your magazine. Please read this document carefully before using the product.

## **General Safety Guidelines**

- Ensure that all safety and handling procedures are followed when using this magazine.
- Always treat every firearm as if it is loaded.
- Store the magazine in a secure location, away from children and unauthorized users.
- Regularly inspect the magazine for any signs of wear or damage.
- Follow all local laws and regulations regarding the use and ownership of firearms and ammunition.
- In case of an emergency or malfunction, seek immediate assistance from a qualified professional.

## **Specific Safety Precautions for Use**

- Before loading the magazine, ensure that the firearm is pointed in a safe direction.
- Only use .350 Legend ammunition with this magazine. Using incompatible ammunition can result in malfunction or injury.
- Do not attempt to modify or alter the magazine in any way.
- Avoid exposing the magazine to extreme temperatures or harsh environments, as this may affect its performance.
- If the magazine becomes stuck or fails to feed properly, do not force it. Remove it safely and inspect for any obstructions.

## **Instructions for Installation and Usage**

### **1. Installation:**

- Ensure the firearm is unloaded and pointed in a safe direction.
- Align the magazine with the magazine well of the AR15.
- Gently press the magazine into the magazine well until it clicks into place.

### **2. Loading the Magazine:**

- Hold the magazine with the feed lips facing upwards.
- Load .350 Legend cartridges into the magazine, ensuring they are seated properly.
- Do not exceed the magazine's capacity of 20 rounds.

### **3. Using the Magazine:**

- Insert the loaded magazine into the firearm as described in the installation section.
- Chamber a round by pulling back the charging handle and releasing it.
- Always keep your finger off the trigger until you are ready to shoot.

### **4. Unloading the Magazine:**

- Point the firearm in a safe direction.
- Remove the magazine by pressing the magazine release button and pulling the magazine out.

- Clear the chamber of any remaining rounds before storing or handling the firearm.

## **Disposal Instructions**

- When disposing of the magazine, ensure it is empty and free of ammunition.
- Follow local regulations regarding the disposal of metal products.
- Consider recycling the magazine if local facilities allow for it.

## **Contact Information for Further Support**
