[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

A Short-Action Stock for Your Savage 110 Rifle

The Hunter 110 Stock – Savage 110 Short Action is the latest addition to the Magpul Hunter stock product line. It features enhanced ergonomics, versions for both right and left-hand actions, eight M-LOK® slots for mounting options, and a fully adjustable length of pull and comb height. These features have been optimally designed to provide a more stable shooting platform, improved user comfort and individual accessory customization. Like its predecessors, the Magpul Hunter 110 features a Type III hard anodized, machine-finished, cast aluminum bedding block that doesn't require bedding and is a true "drop-in" stock solution. The Hunter 110 is designed for 3rd generation Savage short action Series 10/110 centerfire rifles that have center-feed magazine compatibility and action screw hole spacing of 4.40" (H-prefix and later) with production a date of 2006 and later. The Hunter 110 also includes Magpul's Bolt Action Magazine Well for optimal functionality with AICS-spec detachable box magazines such as Magpul's PMAG® 5 7.62 AC (sold separately). FEATURES Reinforced polymer shell with Type III hard anodized, machine finished, A380 cast aluminum V-bedding block. Available for right and left hand actions. Provides AICS-spec magazine compatibility for optimal performance and reliability (magazines sold separately) Made in the USA. SPECS Collection: Hunting Stocks Platform: Savage® 110 Butt-Pad Dimensions: 1.5 in W x 5.0 in H LOP Adjustment Range: 13.0 in, - 15.0 in. (13 in. with no spacers plus up to four half-inch spacers) Weight: 3.3 lbs. Width of Butt, max: 1.5 in. Width of Forend, max: 2.3 in. Compatible with 3rd generation Savage short action Series 10/110 centerfire rifles with center-feed magazine compatibility and action screw hole spacing of 4.40" that began in 2006. HUNTER 110 Adjustable Stock Safety Instruction Guide

Introduction

Thank you for choosing the HUNTER 110 Adjustable Stock for your Savage Arms Hunter 110 SA. This guide provides essential safety instructions to ensure the safe use and maintenance of your product in compliance with the EU General Product Safety Regulation (GPSR). Please read this manual carefully to understand how to use the stock safely and effectively.

General Safety Guidelines

- Always treat firearms with respect and handle them safely.
- Ensure that your firearm is unloaded when installing or adjusting the stock.
- Use the stock only with compatible Savage 110 series rifles.
- Regularly inspect the stock for any signs of wear or damage before use.
- Store the stock and firearm in a secure location, away from children and unauthorized users.
- Be aware of your surroundings when handling firearms to prevent accidents.
- Follow all local laws and regulations regarding firearm use and storage.

Specific Safety Precautions for Use

- **Installation Precautions:**
 - Ensure that the firearm is completely unloaded before attaching or detaching the stock.
 - Use the appropriate tools as indicated in the installation instructions to avoid damage.
- **Adjustment Precautions:**
 - Make adjustments to the length of pull and comb height only when the firearm is unloaded and pointed in a safe direction.
 - Avoid overtightening screws during adjustments, as this may damage the stock or firearm.
- **Usage Precautions:**
 - Always use the stock in a manner consistent with firearm safety practices.
 - Do not exceed the recommended weight limit for accessories attached to the stock.
 - If you experience any issues with the stock during use, cease operation immediately and inspect for damage.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded.
- Remove the existing stock from your Savage 110 rifle using the appropriate tools.
- Align the HUNTER 110 Adjustable Stock with the action of the rifle.
- Securely attach the stock using the action screws, ensuring they are tightened to the manufacturer's specifications.
- Confirm that the stock is properly seated and stable before proceeding.

2. Adjustment:

- To adjust the length of pull:
 - Locate the adjustment mechanism at the rear of the stock.
 - Use the provided spacers to achieve the desired length of pull, ensuring that it is securely locked in place.
- To adjust the comb height:

- Loosen the adjustment screws located on the comb.
- Raise or lower the comb to the desired height and retighten the screws.

3. Usage:

- Always ensure the firearm is pointed in a safe direction when using the stock.
- Regularly check that the stock remains securely attached during use.
- Make sure to follow all safety practices related to shooting and firearm handling.

Disposal Instructions

- Dispose of the stock responsibly in accordance with local regulations.
- If the stock is damaged or no longer usable, consider recycling the materials where possible.
- Do not dispose of the stock in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the HUNTER 110 Adjustable Stock, please refer to the manufacturer's website or contact their customer support for assistance. Always ensure that you are following the latest safety guidelines and product updates.

Conclusion

Your safety and satisfaction are our top priorities. By following these guidelines, you can ensure a safe and enjoyable experience with your HUNTER 110 Adjustable Stock. Always remember to prioritize safety while handling firearms and accessories. Thank you for choosing our product.
