A Short-Action Stock for Your Savage 110 Rifle

The Hunter 110 Stock – Savage 110 Short Action is the latest addition to the Magpul Hunter stock product line. It features enhanced ergonomics, versions for both right and left-hand actions, eight M-LOK® slots for mounting options, and a fully adjustable length of pull and comb height. These features have been optimally designed to provide a more stable shooting platform, improved user comfort and individual accessory customization. Like its predecessors, the Magpul Hunter 110 features a Type III hard anodized, machine-finished, cast aluminum bedding block that doesn't require bedding and is a true "drop-in" stock solution. The Hunter 110 is designed for 3rd generation Savage short action Series 10/110 centerfire rifles that have center-feed magazine compatibility and action screw hole spacing of 4.40" (H-prefix and later) with production a date of 2006 and later. The Hunter 110 also includes Magpul's Bolt Action Magazine Well for optimal functionality with AICS-spec detachable box magazines such as Magpul's PMAG® 5 7.62 AC (sold separately). FEATURES Reinforced polymer shell with Type III hard anodized, machine finished, A380 cast aluminum V-bedding block. Available for right and left hand actions. Provides AICS-spec magazine compatibility for optimal performance and reliability (magazines sold separately) Made in the USA. SPECS Collection: Hunting Stocks Platform: Savage® 110 Butt-Pad Dimensions: 1.5 in W x 5.0 in H LOP Adjustment Range: 13.0 in, - 15.0 in. (13 in. with no spacers plus up to four half-inch spacers) Weight: 3.3 lbs. Width of Butt, max: 1.5 in. Width of Forend, max: 2.3 in. Compatible with 3rd generation Savage short action Series 10/110 centerfire rifles with center-feed magazine compatibility and action screw hole spacing of 4.40" that began in 2006. Compatible with barrel profiles up to Medium Palma and Savage Varmint barrel contours. Tapered Beam design provides rigidity through the forend and will free-float compatible barrels. Push-button QD swivel compatibility with optional Sling Mount Kits in rear of stock.

HUNTER 110 Adjustable Stock Safety Instructions

Introduction

Thank you for choosing the HUNTER 110 Adjustable Stock for your Savage Arms rifle. This product is designed to enhance your shooting experience by providing comfort and stability. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- **Product Safety:** Always ensure that the stock is installed correctly and securely on your rifle before use. Follow all safety guidelines provided in this manual.
- **Enhanced Recalls:** Stay informed about product recalls and safety notices. If you receive any communication regarding a recall, follow the instructions provided.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety requirements. Verify that the product is genuine and in good condition.
- **Special Consumer Focus:** Be aware that this product is not intended for use by children. Keep the stock and any associated components out of reach of children.
- **EU Contact Point:** For any safety inquiries, please consult the relevant EU contact point for your region.
- **Rapid Alerts:** Regularly check the EU Safety Gate platform for updates on any unsafe products.

Specific Safety Precautions for Use

- **Installation:** Ensure that the stock is properly installed according to the instructions provided. An improperly installed stock can lead to accidents.
- **Compatibility:** Confirm that your rifle is compatible with the HUNTER 110 stock. This stock is designed for 3rd generation Savage short action Series 10/110 centerfire rifles.
- **Weight Limitations:** Be aware of the weight of the stock (3.3 lbs) and ensure that your rifle can accommodate this weight for optimal performance.
- **Sling Mount Kits:** If using optional Sling Mount Kits, ensure they are installed correctly to avoid detachment during use.
- **Use in Safe Environments:** Always use your rifle in a controlled environment, away from crowded areas or places where unauthorized persons may be present.
- **Regular Inspections:** Periodically inspect the stock and all components for signs of wear or damage. Replace any damaged parts immediately.

Instructions for Installation and Usage

1. Installation:

- Ensure the rifle is unloaded and pointed in a safe direction.
- Remove the existing stock from your rifle by unscrewing the action screws.
- Align the HUNTER 110 stock with the action of the rifle.
- Secure the stock by tightening the action screws to the manufacturer's specifications.

2. Adjusting Length of Pull and Comb Height:

- To adjust the length of pull, remove or add spacers as needed. Use up to four halfinch spacers.
- For comb height adjustment, follow the manufacturer's instructions to set the desired height.

3. Using the Stock:

- Hold the rifle firmly and ensure your body is stable before taking a shot.
- Utilize the MLOK® slots for attaching accessories as needed, ensuring they are securely fastened.

4. **Cleaning and Maintenance:**

- Clean the stock with a soft, damp cloth. Avoid using harsh chemicals that may damage the finish.
- Regularly check for any loose screws or components and tighten them as necessary.

Disposal Instructions

- **Environmental Responsibility:** Dispose of the stock and any components in an environmentally friendly manner. Do not dispose of in regular household waste.
- **Recycling:** Check local regulations for recycling options for polymer and aluminum materials. Follow the guidelines for proper disposal.

Contact Information for Further Support

For any questions or concerns regarding the HUNTER 110 Adjustable Stock, please refer to your local retailer or the manufacturer's website for support. Always ensure that you are following the latest safety guidelines and product updates.

Thank you for your attention to safety and for choosing the HUNTER 110 Adjustable Stock. Enjoy your shooting experience responsibly!
