A Short-Action Stock for Your Savage 110 Rifle

The Hunter 110 Stock – Savage 110 Short Action is the latest addition to the Magpul Hunter stock product line. It features enhanced ergonomics, versions for both right and left-hand actions, eight M-LOK® slots for mounting options, and a fully adjustable length of pull and comb height. These features have been optimally designed to provide a more stable shooting platform, improved user comfort and individual accessory customization. Like its predecessors, the Magpul Hunter 110 features a Type III hard anodized, machine-finished, cast aluminum bedding block that doesn't require bedding and is a true "drop-in" stock solution. The Hunter 110 is designed for 3rd generation Savage short action Series 10/110 centerfire rifles that have center-feed magazine compatibility and action screw hole spacing of 4.40" (H-prefix and later) with production a date of 2006 and later. The Hunter 110 also includes Magpul's Bolt Action Magazine Well for optimal functionality with AICS-spec detachable box magazines such as Magpul's PMAG® 5 7.62 AC (sold separately). FEATURES Reinforced polymer shell with Type III hard anodized, machine finished, A380 cast aluminum V-bedding block. Available for right and left hand actions. Provides AICS-spec magazine compatibility for optimal performance and reliability (magazines sold separately) Made in the USA. SPECS Collection: Hunting Stocks Platform: Savage® 110 Butt-Pad Dimensions: 1.5 in W x 5.0 in H LOP Adjustment Range: 13.0 in, - 15.0 in. (13 in. with no spacers plus up to four half-inch spacers) Weight: 3.3 lbs. Width of Butt, max: 1.5 in. Width of Forend, max: 2.3 in. Compatible with 3rd generation Savage short action Series 10/110 centerfire rifles with center-feed magazine compatibility and action screw hole spacing of 4.40" that began in 2006. Compatible with barrel profiles up to Medium Palma and Savage Varmint barrel contours. Tapered Beam design provides rigidity through the forend and will free-float compatible barrels. Push-button QD swivel compatibility with optional Sling Mount Kits in rear of stock.

HUNTER 110 Adjustable Stock Safety Instructions

Introduction

Thank you for choosing the HUNTER 110 Adjustable Stock for your Savage Arms rifle. This safety instruction guide is designed to help you understand the proper use, installation, and maintenance of your product while ensuring compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or adjusting the stock.
- Inspect the stock regularly for signs of wear or damage. If any damage is found, discontinue use immediately.
- Keep the stock and firearm out of reach of children and unauthorized users.
- Use the stock only with compatible Savage Arms rifles as specified in the product description.
- Follow all local laws and regulations regarding firearm usage and modifications.
- Ensure that you are familiar with the operation of your firearm before using it with the new stock.

Specific Safety Precautions for Use

- **Right and Left Hand Versions:** Ensure you have the correct stock version for your shooting hand (right or left).
- **Weight Consideration:** The stock weighs 3.3 lbs. Ensure that this weight is suitable for your shooting needs and preferences.
- **LOP Adjustment:** Adjust the length of pull (LOP) only when the firearm is unloaded and pointed in a safe direction.
- **MLOK® Slots:** When attaching accessories to the MLOK® slots, ensure that they do not interfere with the operation of the firearm.
- **Sling Mount Compatibility:** Use only compatible sling mounts to ensure safe attachment of slings.
- **Barrel Compatibility:** Ensure that your barrel profile is compatible with the stock to maintain stability and performance.

Instructions for Installation and Usage

1. Installation:

- Ensure that your firearm is completely unloaded.
- Remove the existing stock from your Savage rifle by unscrewing the action screws.
- Align the HUNTER 110 Adjustable Stock with the action of the rifle.
- Secure the stock using the action screws, tightening them to the manufacturer's specifications.
- Adjust the length of pull and comb height to your preference, ensuring all adjustments are secure.

2. Usage:

- Before each use, doublecheck that the stock is properly secured to the firearm.
- Familiarize yourself with the adjustments for length of pull and comb height, making changes as necessary for comfort and stability.
- When using the stock in the field, ensure that it is free from obstructions and debris that may affect performance.

3. Maintenance:

- Clean the stock with a damp cloth and mild soap as needed.

- Avoid using harsh chemicals that may damage the finish or materials.
- Regularly check all screws and fittings for tightness and integrity.

Disposal Instructions

- When disposing of the HUNTER 110 Adjustable Stock, follow local regulations for the disposal of polymer and aluminum materials.
- Do not dispose of the stock in regular household waste. Instead, locate a recycling facility that accepts these materials.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and use of the HUNTER 110 Adjustable Stock, please refer to the manufacturer's website or contact their support team for assistance.

By following these guidelines, you can ensure a safe and enjoyable experience with your HUNTER 110 Adjustable Stock. Always prioritize safety and proper handling when using firearms and their accessories.
