

# OKW HANDHELD FLASHLIGHT - MODLITE SYSTEMS HANDHELD OKW-18650 COMPLETE LIGHT FDE

[Emergency & Survival Gear](#) > [Lighting](#) > [Flashlights](#)

This light package contains an OKW light head, 18350 Handheld body and tail cap. It also includes a single KeepPower 1200mAh 18350 batteries and a XTAR MC2 charger. While lumen output is only 680 lumen the throw is about 400% greater than the M600DF. This light head is best suited for situations where extreme throw is needed. Features Made in the USA Lifetime guarantee Approximately 680 out the front lumens and candela is approximately 69,000. It is an excellent overall light head good for indoor or outdoor use Drivers are fully potted and tested. 6061 Series Alum bezel with Mil-Spec Hard Anodizing Ultra clear BOROFLOAT® lens allows 98-99% light transmittance Lithium CR123 cells are not supported and if used will cause the cells to heat up and possibly explode or catch fire. Modlite recommends the KeepPower 18350 high drain cells. Runtime is about 35 minutes with the supplied 18350 cells

## Attributes

- Name: [MODLITE SYSTEMS HANDHELD OKW-18650 COMPLETE LIGHT FDE](#)

## Handheld OKW18650 Safety Instructions

### Introduction

Thank you for choosing the OKW Handheld Flashlight Modlite Systems Handheld OKW18650. This guide provides important safety instructions to ensure the safe use of your flashlight. Please read this manual carefully before using the product.

### General Safety Guidelines

- Always follow the manufacturer's instructions for safe operation.
- Ensure the flashlight is used only for its intended purpose.
- Keep the flashlight out of reach of children and pets.
- Inspect the flashlight regularly for any signs of damage or wear.
- Do not use the flashlight if it appears damaged or malfunctioning.
- Avoid exposing the flashlight to extreme temperatures, moisture, or direct sunlight for extended periods.
- If the flashlight is dropped or subjected to impact, inspect it thoroughly before further use.

### Specific Safety Precautions for Use

- **Battery Safety:**
  - Only use the supplied KeepPower 1200mAh 18350 batteries.
  - Do not use Lithium CR123 cells, as they may cause overheating, explosion, or fire.
  - Never mix old and new batteries or different brands/types of batteries.
  - Ensure batteries are inserted with the correct polarity as indicated in the flashlight.
- **Charging Safety:**
  - Use the included XTAR MC2 charger for charging the batteries.
  - Do not leave the flashlight unattended while charging.
  - Charge the batteries in a well-ventilated area.
  - Disconnect the charger from the power source when not in use.
- **Light Emission:**
  - Avoid looking directly into the flashlight beam to prevent eye damage.
  - Use caution when using the flashlight in dark environments to avoid tripping or falling.

### Instructions for Installation and Usage

- **Installation:**
  1. Ensure the flashlight is turned off.
  2. Insert the KeepPower 1200mAh 18350 battery into the handheld body, ensuring correct polarity.
  3. Secure the tail cap onto the handheld body until snug.
- **Usage:**
  - To turn the flashlight on, press the tail switch firmly.
  - To turn off, press the tail switch again.
  - For best performance, do not exceed the recommended runtime of 35 minutes with the supplied batteries.
  - If the flashlight becomes dim, recharge the batteries immediately.

### Disposal Instructions

- Dispose of the flashlight and batteries in accordance with local regulations.
- Do not dispose of batteries in fire, as they may explode.
- Take used batteries to a designated recycling center or follow local battery disposal guidelines.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the safety and operation of your OKW Handheld Flashlight Modlite Systems Handheld OKW18650, please refer to the manufacturer's contact information provided in the product packaging.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with your OKW Handheld Flashlight. Always prioritize safety and report any unsafe products or incidents to the appropriate authorities. Thank you for your attention to these guidelines.
