

# OKW HANDHELD FLASHLIGHT - MODLITE SYSTEMS HANDHELD OKW-18350 COMPLETE LIGHT FDE

[Emergency & Survival Gear](#) > [Lighting](#) > [Flashlights](#)

This light package contains an OKW light head, 18350 Handheld body and tail cap. It also includes a single KeepPower 1200mAh 18350 batteries and a XTAR MC2 charger. While lumen output is only 680 lumen the throw is about 400% greater than the M600DF. This light head is best suited for situations where extreme throw is needed. Features Made in the USA Lifetime guarantee Approximately 680 out the front lumens and candela is approximately 69,000. It is an excellent overall light head good for indoor or outdoor use Drivers are fully potted and tested. 6061 Series Alum bezel with Mil-Spec Hard Anodizing Ultra clear BOROFLOAT® lens allows 98-99% light transmittance Lithium CR123 cells are not supported and if used will cause the cells to heat up and possibly explode or catch fire. Modlite recommends the KeepPower 18350 high drain cells. Runtime is about 35 minutes with the supplied 18350 cells

## Handheld OKW18350 Safety Instructions

### Introduction

Thank you for choosing the OKW Handheld Flashlight Modlite Systems Handheld OKW18350. This guide provides essential safety information and instructions for the safe use, installation, and disposal of this product. Please read this guide carefully before using the flashlight to ensure your safety and the safety of others.

### General Safety Guidelines

- Ensure that the flashlight is used only for its intended purpose.
- Keep the flashlight out of reach of children and vulnerable individuals.
- Do not use the flashlight in hazardous environments, such as near flammable materials or gases.
- Inspect the flashlight regularly for damage or wear. Do not use if damaged.
- Follow all instructions provided in this guide to avoid potential hazards.

### Specific Safety Precautions for Use

- **Battery Safety:**
  - Use only the supplied KeepPower 1200mAh 18350 batteries.
  - Do not use Lithium CR123 cells, as they may cause overheating, explosion, or fire.
- **Heat Management:**
  - The flashlight may become hot during extended use. Avoid direct contact with the lens or body.
- **Throw Distance:**
  - The flashlight has a lumen output of 680 and a throw distance that is approximately 400% greater than the M600DF. Use caution when illuminating objects at a distance.
- **Environmental Considerations:**
  - Avoid using the flashlight in wet or damp conditions unless it is specified as waterresistant.

### Instructions for Installation and Usage

#### 1. Battery Installation:

- Open the tail cap of the flashlight by twisting it counterclockwise.
- Insert the KeepPower 1200mAh 18350 battery with the positive (+) end facing the head of the flashlight.
- Replace the tail cap and ensure it is securely tightened.

#### 2. Charging Instructions:

- Use the supplied XTAR MC2 charger for charging the 18350 batteries.
- Follow the charger's instructions for proper charging procedures.
- Do not leave batteries charging unattended.

#### 3. Operating the Flashlight:

- To turn on the flashlight, press the switch located on the tail cap.
- To turn off, press the switch again.
- For optimal performance, avoid prolonged use to prevent overheating.

#### 4. Maintenance:

- Clean the flashlight regularly with a soft, dry cloth.
- Avoid using harsh chemicals or abrasive materials that may damage the surface or lens.

## **Disposal Instructions**

- Follow local regulations for the disposal of electronic devices and batteries.
- Do not dispose of batteries in household waste. Take them to a designated recycling facility.
- Ensure the flashlight is completely powered off and the batteries are removed before disposal.

## **Contact Information for Further Support**

For safety inquiries or additional support regarding the OKW Handheld Flashlight Modlite Systems Handheld OKW18350, please refer to the contact information provided by the retailer or manufacturer.

By adhering to these safety instructions, you can ensure the safe use of your OKW Handheld Flashlight. Thank you for your attention to these important guidelines.
