

MINIMALIST PLATE CARRIER - GREY GHOST GEAR MINIMALIST PLATE CARRIER, COYOTE BROWN

[Home](#)

The Less-Is-More Plate Carrier

The Minimalist Plate Carrier from Grey Ghost Gear is built to keep you protected without bogging you down. Focusing on lightweight construction and functional design, you stay mobile, without getting bogged down in a plate carrier trying to do too much. The Minimalist Plate Carrier still has its secrets though, with a discrete stash pocket on the front of the carrier, so you can keep that essential item close at hand, without affecting the straightforward, compact design, while still being able to carry 10x12 hard plates, or large ESAPI plates. Built with mil-spec materials Air-Mesh inside carrier faces for ventilation Lined plate pockets to resist abrasion The Ghost Gear Minimalist Plate Carrier is available in black, coyote, or multitcam, and features six rows of MOLLE/PALS webbing.

Minimalist Plate Carrier Safety Instruction Guide

Introduction

Thank you for choosing the Minimalist Plate Carrier from Grey Ghost Gear. This guide provides essential safety instructions and information to ensure the safe use of your plate carrier. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure the product is used in accordance with the manufacturer's instructions.
- Regularly inspect the plate carrier for any signs of wear or damage.
- Avoid using the plate carrier for purposes other than those intended.
- Keep the plate carrier away from children and vulnerable individuals unless supervised.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Proper Fit:** Ensure the plate carrier fits correctly to avoid discomfort or injury during use.
- **Weight Limitations:** Do not exceed the recommended weight limit for the plates being carried.
- **Ventilation:** Be mindful of ventilation needs when wearing the carrier for extended periods.
- **Abrasion Resistance:** Take care when placing or removing hard plates to avoid damaging the lining of the pockets.
- **Storage:** Store the plate carrier in a cool, dry place when not in use to maintain material integrity.

Instructions for Installation and Usage

1. Fitting the Plate Carrier:

- Adjust the shoulder straps to fit comfortably on your body.
- Ensure the carrier sits securely on your torso without excessive movement.

2. Inserting Plates:

- Open the lined plate pockets located in the front of the carrier.
- Insert the 10x12 hard plates or large ESAPI plates into the designated pockets.
- Ensure that the plates are seated properly and the pockets are securely closed.

3. Using the MOLLE/PALS Webbing:

- Attach any additional gear or pouches to the six rows of MOLLE/PALS webbing as needed.
- Ensure attachments are secure and do not interfere with the operation of the plate carrier.

4. Wearing the Plate Carrier:

- Always wear the plate carrier over appropriate clothing.
- Adjust the straps as necessary to ensure a snug fit.
- Be aware of your surroundings and ensure the carrier does not obstruct your movement.

Disposal Instructions

- When the Minimalist Plate Carrier is no longer needed or is damaged beyond repair, dispose of it in accordance with local regulations.

- Consider recycling materials where possible to minimize environmental impact.

Contact Information for Further Support

For any safety inquiries or further assistance, please reach out to the appropriate support channels as indicated by the retailer or manufacturer.

Thank you for your attention to these safety guidelines. Your safety is our priority.
