## The Plate Carrier That Can Do it All

The SMC Plate Carrier is our most advanced carrier design to date. The SMC (Shoot, Move, Communicate) is everything you've wanted in a lightweight, combat-ready plate carrier. Designed to carry a pair of 10"x12" hard plates or most large SAPI plates, the cummerbund features MOLLE/PALS style webbing for the addition of pouches for side plates if you prefer your kidneys remain non-perforated. The front panel also features an open pocket for maps, water/cable retention or enough room for a fleece watch cap or gloves. This carrier is "one size fits most" thanks to its adjustable shoulder straps and cummerbund, ensuring a snug fit for just about every warrior's body type. Should you find yourself on fire, trapped in a tight spot or unexpectedly going for a swim, the new ROC buckles on one shoulder strap (reversible) and either side of the cummerbund can be rapidly released in case of emergency. These also make putting on the carrier much more convenient when you are in a hurry. The secret sauce behind the SMC is literally in the back. YKK Zippers and webbing on the back panel are designed for attaching any one of the new SMC zippered back panels, so you can specifically tailor your carrier for the mission ahead. All these panels are compatible with SOCOM issued carriers with zippered back panel systems. View the whole line in the SMC Back Panel collection. As for the SMC carrier, breathable mesh is built into the cummerbund and inside faces of the carrier body for enhanced comfort. Interior padding enclosed in weave gives the wearer additional comfort and air channels to wick away moisture. There are six rows of MOLLE/PALS style webbing with built in matching loop material on the top three rows for the option of attaching patches or ID panels. Laser cut laminate nylon gives you all the modularity of traditional MOLLE webbing at a significant reduction in weight while remaining strong and water/chemical resistant. Longevity is also increased as cut edges do not fray after they are heat sealed with the laser.

## Attributes

- Name: [GREY GHOST GEAR SMC PLATE CARRIER, BLACK](#)
- Manufacturer: [GREY GHOST GEAR](#)
- Product no.: 100075072
- Mfr. No.: GTG0295-2
- Colour: Black
- Delivery weight: 0.853kg
- Shipping height: 394mm
- Shipping width: 7mm
- Shipping length: 5mm
- UPC: 810001171995

# SMC Plate Carrier Safety Instruction Guide

## Introduction

Thank you for choosing the SMC Plate Carrier by Grey Ghost Gear. This guide provides essential safety information and instructions to ensure the safe use and maintenance of your product. Please read this guide carefully before using the plate carrier to maximize your safety and performance.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the SMC Plate Carrier by following all instructions and safety guidelines. The carrier is designed to protect and support during combat situations.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to the SMC Plate Carrier. Regularly check the EU's Safety Gate platform for updates.
- **Online Shopping Safety:** When purchasing online, ensure you buy from authorized retailers that comply with safety regulations.
- **Special Consumer Focus:** This product is designed for adult users. Keep it out of reach of children to prevent accidents.
- **EU Contact Point:** For any safety inquiries, please ensure you have access to EU-based support.
- **Rapid Alerts:** Be aware of potential updates regarding unsafe products through the Safety Gate system.

## Specific Safety Precautions for Use

- **Proper Fit:** Ensure the plate carrier is adjusted correctly to fit your body. Use the adjustable shoulder straps and cummerbund for a snug fit.
- **Emergency Release:** Familiarize yourself with the ROC buckles on the shoulder strap and cummerbund for quick release in emergencies.
- **Weight Limit:** Do not exceed the recommended weight capacity for the carrier. Carry only the specified plates and additional gear.
- **Avoid Sharp Objects:** Ensure that no sharp objects are placed in or near the carrier that could puncture or damage it.
- **Environmental Conditions:** Avoid exposing the carrier to extreme temperatures, chemicals, or moisture that could compromise its integrity.

## Instructions for Installation and Usage

### 1. Fitting the Carrier:

- Loosen the shoulder straps and cummerbund.
- Slip the carrier over your head and adjust the shoulder straps to your comfort.
- Tighten the cummerbund around your waist, ensuring it is secure but not restrictive.

### 2. Inserting Plates:

- Open the designated compartments of the carrier.
- Insert the 10"x12" hard plates or large SAPI plates into the front and back pockets.
- Ensure the plates are fully seated and secure within the carrier.

### 3. Attaching Accessories:

- Use the MOLLE/PALS style webbing to attach pouches or additional gear as needed.
- Ensure all attachments are securely fastened to prevent movement during use.

### 4. Maintaining the Carrier:

- Regularly inspect the carrier for signs of wear or damage.
- Clean the carrier with mild soap and water; avoid harsh chemicals that could degrade the material.
- Allow the carrier to air dry completely before storing.

## Disposal Instructions

- **End of Life:** When the carrier is no longer usable, dispose of it responsibly.
- **Material Recycling:** Check local regulations for recycling options for nylon and other materials.
- **Hazardous Waste:** If the carrier has been exposed to hazardous materials, follow local guidelines for hazardous waste disposal.

## Contact Information for Further Support

For any questions or concerns regarding the SMC Plate Carrier, please consult your retailer or the manufacturer's website for assistance. Always ensure that you have access to safety information and support for your product.

Thank you for your attention to these safety instructions. Enjoy the enhanced performance and protection provided by your SMC Plate Carrier.
