

# LITTLE BROTHER PACK - EBERLESTOCK LITTLE BROTHER PACK - COYOTE BROWN

[Emergency & Survival Gear](#) > [Backpacks & Bags](#) > [Backpacks](#)

## Pairs Well With Firearm-Transport Gear

The Eberlestock Little Brother Pack is the perfect companion for a rifle bag or other heavy gear, giving back country hunters or military operators a support pack that doesn't add extra bulk to a heavy gear load. The Eberlestock Little Brother Pack can be paired with the company's A4SS Tactical Weapon Carrier for a total fight-ready loadout. The bag also allows for top and front loading, along with 6 liters of hydration storage, as well as a rack designed for PRC-117 military radios. MOLLE-compatible webbing rounds out the bag. Provides 1,800 cubic inches of storage space Comes in coyote brown or military green  
Total weight: 4 pounds For back country hunters, the company notes that the Eberlestock Little Brother Pack is not designed for hiking heavy meat loads from hunting grounds without the use of the AGIF Endo Frame.

# Eberlestock Little Brother Pack Safety Instruction Guide

## Introduction

Thank you for choosing the Eberlestock Little Brother Pack. This safety instruction guide aims to provide you with essential information to ensure the safe and effective use of your pack. Please read this guide carefully before using the product.

## General Safety Guidelines

- Always inspect the pack for any damage or defects before use.
- Ensure all zippers, straps, and buckles are functioning correctly.
- Use the pack only for its intended purpose as described in this guide.
- Keep the pack away from sharp objects that may cause punctures or tears.
- Store the pack in a cool, dry place when not in use.
- Avoid overloading the pack beyond its specified weight limit.

## Specific Safety Precautions for Use

- **Weight Limit:** The Eberlestock Little Brother Pack is designed to carry a maximum weight of 40 pounds. Exceeding this limit may compromise the pack's integrity and your safety.
- **Hydration Storage:** Ensure that the hydration storage compartment is properly sealed to prevent leaks.
- **MOLLE Webbing:** Use only compatible accessories with the MOLLE webbing to avoid accidents or damage to the pack.
- **Radio Rack:** The rack for PRC117 military radios is designed for specific models. Ensure compatibility before use.
- **Back Country Use:** This pack is not intended for carrying heavy meat loads without the AGIF Endo Frame. Use caution when transporting heavy items.

## Instructions for Installation and Usage

### 1. Packing the Pack:

- Open the top and front loading compartments.
- Distribute weight evenly across the pack to maintain balance.
- Secure all items with straps to prevent shifting during movement.

### 2. Using Hydration Storage:

- Fill the hydration reservoir with clean water.
- Ensure the hose is securely attached and free from kinks.
- Test the bite valve to ensure it is functioning properly before use.

### 3. Adjusting Straps:

- Adjust the shoulder straps for a comfortable fit.
- Ensure the hip belt is snug to distribute weight evenly.
- Use the sternum strap for added stability during movement.

### 4. Attaching Accessories:

- Use MOLLE-compatible accessories for additional storage.

- Follow the manufacturer's instructions for attaching any accessories.

## **Disposal Instructions**

- Dispose of the pack responsibly in accordance with local regulations.
- If the pack is damaged beyond repair, consider recycling materials where possible.
- Do not dispose of the pack in regular household waste if it contains hazardous materials.

## **Contact Information for Further Support**

For safety inquiries or support, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

By following these guidelines, you can ensure a safe and enjoyable experience with your Eberlestock Little Brother Pack. Thank you for your attention to safety!
