Pairs Well With Firearm-Transport Gear

The Eberlestock Little Brother Pack is the perfect companion for a rifle bag or other heavy gear, giving back country hunters or military operators a support pack that doesn't add extra bulk to a heavy gear load. The Eberlestock Little Brother Pack can be paired with the company's A4SS Tactical Weapon Carrier for a total fight-ready loadout. The bag also allows for top and front loading, along with 6 liters of hydration storage, as well as a rack designed for PRC-117 military radios. MOLLE-compatible webbing rounds out the bag. Provides 1,800 cubic inches of storage space Comes in coyote brown or military green
Total weight: 4 pounds For back country hunters, the company notes that the Eberlestock Little Brother Pack is not designed for hiking heavy meat loads from hunting grounds without the use of the AGIF Endo Frame.

Eberlestock Little Brother Pack Safety Instruction Guide

Introduction

Thank you for choosing the Eberlestock Little Brother Pack. This guide provides essential safety information and instructions to ensure the safe use of your pack. Please read this guide carefully before use to maximize safety and performance.

General Safety Guidelines

- Ensure that the pack is used only for its intended purpose as a support pack for carrying gear.
- Inspect the pack before each use for any signs of wear and tear or damage.
- Do not overload the pack beyond its capacity of 1,800 cubic inches.
- Keep the pack away from sharp objects that could puncture or damage the fabric.
- Store the pack in a dry, cool place when not in use to prevent mold and mildew.
- Be aware of your surroundings while using the pack in outdoor environments to avoid accidents.

Specific Safety Precautions for Use

- When using the pack in combination with the A4SS Tactical Weapon Carrier, ensure that all connections are secure to prevent equipment loss.
- Avoid using the pack in extreme weather conditions without proper gear.
- Use caution when loading and unloading equipment from the pack to prevent injury.
- If using the hydration storage feature, ensure the hydration system is clean and free from contaminants.
- Keep the pack out of reach of children to prevent accidents.

Instructions for Installation and Usage

1. Loading the Pack:

- Open the top and front compartments for easy access.
- Distribute weight evenly to maintain balance while carrying.
- Utilize the MOLLEcompatible webbing to attach additional gear securely.

2. Hydration Storage:

- Fill the hydration reservoir with clean water.
- Ensure the reservoir is properly sealed before placing it in the designated compartment.
- Use the hydration tube as needed, ensuring it does not become kinked or blocked.

3. Using with A4SS Tactical Weapon Carrier:

- Attach the Little Brother Pack to the A4SS Tactical Weapon Carrier according to the manufacturer's instructions.
- Ensure all straps and buckles are fastened securely before use.

4. Adjusting the Pack:

- Adjust the shoulder straps and waist belt for a comfortable fit.
- Ensure that the pack sits snugly against your back to prevent shifting during movement.

Disposal Instructions

- When the pack reaches the end of its life cycle, dispose of it in an environmentally responsible manner.
- Check local regulations for guidelines on disposing of textile materials.
- If the pack is damaged beyond repair, consider recycling the materials if possible.
