Safety Instruction Guide for Forster Sizing Die Decapping Unit 7x64 Brenneke

Introduction

Thank you for choosing the Forster Sizing Die Decapping Unit 7x64 Brenneke. This product is designed for use with Forster Full Length and Neck Sizing Dies. It includes essential components such as the decap rod, spindle bushing, lock nut, expander ball, and the correct decapping pin. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always use the product according to the manufacturer's instructions.
- Inspect the product before each use. Do not use if damaged or worn.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the decapping assembly is compatible with your Forster dies.
- Always wear appropriate safety gear, including eye protection, when using this product.
- Handle the decapping pin and other components with care to avoid injury.
- Do not exceed the recommended specifications for the product.
- Store the product in a dry, secure location when not in use.

Instructions for Installation and Usage

1. Installation

- Ensure that the work area is clean and welllit.
- Gather all necessary components: decap rod, spindle bushing, lock nut, expander ball, and decapping pin.
- Follow these steps to install the decapping assembly:
 - Remove the existing decapping assembly from the sizing die.
 - Insert the spindle bushing into the sizing die.
 - Attach the decap rod to the spindle bushing.
 - Secure the assembly with the lock nut.
 - Install the expander ball on the decap rod.
 - Insert the correct decapping pin into the decap rod.

2. Usage

- Ensure that the assembly is securely attached before use.
- Follow the instructions for your specific Forster die to decap the cartridge.
- After use, inspect the components for any signs of wear or damage.

Disposal Instructions

- Dispose of any damaged or worn components in accordance with local regulations.
- If the product is no longer usable, consider recycling materials where applicable.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For further assistance or inquiries regarding safety, please contact the manufacturer or your local distributor.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities.
