Safety Instruction Guide for ICSPR 5.56MM FDE PIST 16.10 RIFLE

Introduction

Thank you for choosing the ICSPR 5.56MM FDE PIST 16.10 RIFLE by LWRC International. This guide provides essential safety instructions to ensure the safe use and handling of your rifle. Please read this document carefully before using the product to familiarize yourself with the necessary precautions and guidelines.

General Safety Guidelines

- Always treat the rifle as if it is loaded.
- Keep the rifle pointed in a safe direction at all times.
- Ensure that your finger is off the trigger until you are ready to shoot.
- Be aware of your surroundings and identify your target and what lies beyond it.
- Store the rifle in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the rifle for any signs of wear or damage.
- Use only manufacturerrecommended ammunition for your rifle.
- Follow all local laws and regulations regarding firearm ownership and usage.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when shooting.
- Avoid using the rifle under the influence of drugs or alcohol.
- Do not modify the rifle in any way that could affect its safety or performance.
- Be cautious of environmental conditions (e.g., wind, rain) that may affect shooting accuracy and safety.
- Ensure that the area where you are shooting is free of bystanders and obstacles.
- If a malfunction occurs, follow the manufacturer's instructions for clearing the issue safely.

Instructions for Installation and Usage

1. Installation of Accessories:

- Ensure the rifle is unloaded before installing any accessories.
- Follow the manufacturer's instructions for attaching the Magpul MIAD Pistol Grip and other accessories.
- Confirm that all accessories are securely attached before use.

2. Loading the Rifle:

- Use only 5.56 mm NATO cartridges.
- Open the magazine and load the appropriate number of rounds (up to 30).
- Insert the magazine into the rifle until it clicks into place.

3. Firing the Rifle:

- Ensure the rifle is pointed in a safe direction.
- Check that the safety is in the "fire" position.
- Place your finger on the trigger only when ready to shoot.
- Squeeze the trigger smoothly to fire.

4. Clearing Malfunctions:

- If the rifle fails to fire, keep it pointed downrange for at least 30 seconds.
- Follow the manufacturer's instructions for safely clearing jams or other malfunctions.

5. Cleaning and Maintenance:

- Regularly clean the rifle according to the manufacturer's guidelines.
- Use appropriate cleaning supplies and tools.
- Inspect all parts for wear and replace as necessary.

Disposal Instructions

- Follow local regulations for the disposal of firearms and related materials.
- If disposing of the rifle, ensure it is rendered inoperable.
- Contact local authorities for guidance on safe disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and use of your ICSPR 5.56MM FDE PIST 16.10 RIFLE, please refer to the manufacturer's website or customer service resources for assistance.

By adhering to these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your ICSPR 5.56MM FDE PIST 16.10 RIFLE. Always prioritize safety and responsibility when handling firearms.
