

# FOUNDATION SERIES MOLLE BELTS - BLACKHAWK SMALL (29"-34") MOLLE OUTER BELT, BLACK

[Shooting Accessories](#) > [Holsters & Belt Gear](#) > [Holster Belts](#)

Lightweight, low profile, tough and comfortable. These, among others are some of the best words to describe the Foundation Series Gunbelt. The Inner Belt is designed to interface directly with the Foundation Series Outer belt by way of hook and loop. The exterior surface of the Foundation Series Inner Belt is lined with loop and serves as a comfortable trouser belt when the user is not wearing their gunbelt. When the need arises to don your Foundation Gunbelt, simply mate the hook portion of the gunbelt with the loop portion of the Foundation Series Inner Belt to create a fast and secure marriage between the two. The base layer of the Outer Belt is constructed of double layer, rugged scuba webbing. This double layer of webbing provides the supportive backbone of the system, delivering exceptional gear stability in austere environments. The outer layer of the Foundation Series Gunbelt offers an over-sewn 1000D/500D laminate nylon with laser cut MOLLE accessory mounting interface. The interior surface is sewn with male hook to mate with your Foundation Inner Belt and provide a secure, all-day gunbelt platform that is perfect for professional use or active range training.

# FOUNDATION SERIES MOLLE BELTS SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the FOUNDATION SERIES MOLLE BELT by BLACKHAWK. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your gunbelt. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure that the gunbelt is suitable for your waist size (29"-34") before use.
- Inspect the belt for any signs of wear or damage prior to each use.
- Avoid using the gunbelt for activities that exceed its intended use, such as climbing or heavy lifting.
- Keep the gunbelt out of the reach of children to avoid accidental injury.
- If you notice any defects or issues with the product, discontinue use immediately and contact support.

## Specific Safety Precautions for Use

- Ensure that the Inner Belt is properly secured before attaching the Outer Belt.
- Do not overload the belt with excessive gear or accessories that may compromise its integrity.
- Always check that the hook and loop connections are secure before engaging in any activity.
- Be cautious when adjusting the belt to avoid pinching skin or causing discomfort.
- Use the gunbelt only in environments for which it is designed, avoiding extreme conditions that may affect performance.

## Instructions for Installation and Usage

### 1. Preparation:

- Lay the Inner Belt flat and ensure the loop side is facing outward.
- Identify the hook side of the Outer Belt.

### 2. Attaching the Inner Belt:

- Thread the Inner Belt through your trouser loops as you would a regular belt.
- Adjust the Inner Belt to fit comfortably around your waist and secure it.

### 3. Attaching the Outer Belt:

- Align the hook side of the Outer Belt with the loop side of the Inner Belt.
- Press firmly to ensure a secure connection.

### 4. Adjusting the Fit:

- Once both belts are connected, adjust the Outer Belt to your desired tightness.
- Ensure that the belt is snug but not overly tight, allowing for comfortable movement.

### 5. Removing the Belt:

- To remove, simply peel the Outer Belt away from the Inner Belt, taking care not to pull too hard to avoid damaging the hook and loop.

## **Disposal Instructions**

- Dispose of the gunbelt in accordance with local regulations for textile waste.
- If the product is damaged beyond repair, consider recycling the materials where possible.
- Do not burn the product as it may release harmful substances.

## **Contact Information for Further Support**

For any safety inquiries, product concerns, or to report unsafe conditions, please refer to the contact information provided on the packaging or visit the BLACKHAWK website for support.

## **Conclusion**

By following these safety instructions, you can ensure the effective and safe use of your FOUNDATION SERIES MOLLE BELT. Always prioritize safety and perform regular checks on your gear. Thank you for your attention and enjoy your product!
