# ALPHAWOLF THREADED BARRELS FOR GLOCK®

## LONE WOLF DIST. M22 & M31

### Introduction

Thank you for choosing the AlphaWolf Threaded Barrels for Glock® models M22 and M31. This guide provides essential safety information, installation instructions, and usage guidelines to ensure safe and effective operation of your new barrel. Please read this guide carefully before using the product.

### General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or handling the barrel.
- Use only compatible ammunition as specified in the product details. In this case, the barrel is designed for .357 SIG cartridges.
- Be aware of your surroundings and ensure that you are in a safe environment when handling firearms.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms.
- Keep the barrel and all firearm components out of reach of children and unauthorized users.
- In case of any malfunction or unusual behavior of the firearm, stop using it immediately and consult a qualified gunsmith.

### Specific Safety Precautions for Use

- Ensure that the threaded barrel is installed correctly to avoid any potential hazards during operation.
- Do not attempt to modify the barrel or use it in ways that are not intended by the manufacturer.
- Check for any obstructions in the barrel before each use.
- Regularly inspect the barrel for signs of wear, damage, or corrosion.
- If using lead or plated ammunition, ensure proper cleaning to prevent lead buildup.

### Instructions for Installation and Usage

#### 1. Installation Steps:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing barrel from the Glock® by following the manufacturer's instructions.
- Align the AlphaWolf threaded barrel with the slide and gently insert it until it is fully seated.
- Secure the barrel using the appropriate thread protector that comes with the threaded model.
- Confirm that the barrel is properly installed by checking for any movement or misalignment.

#### 2. Usage Instructions:

- Load the firearm with compatible .357 SIG ammunition.
- Always check that the firearm is in safe mode before loading.
- Follow all standard firearm handling procedures when preparing to fire.
- After use, clean the barrel according to the manufacturer's recommendations to maintain performance.

### Disposal Instructions

- Dispose of the barrel in accordance with local regulations regarding firearms and firearm components.
- Do not dispose of the barrel in regular household waste.
- Contact local authorities or waste management facilities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the AlphaWolf threaded barrels, please refer to the manufacturer's website or customer service for assistance.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure the safe and effective use of your AlphaWolf threaded barrels for Glock® models M22 and M31. Always prioritize safety and consult professionals if you have any doubts or questions. Thank you for your commitment to safe firearm practices.
