

FLIP-OPEN OBJECTIVE LENS COVERS - OBJECTIVE LENS COVER #19 1.646" (41.8MM)

[Optics & Mounting](#) > [Optic Accessories](#) > [Scope Lens Covers](#)

Keeps Harmful Debris From Scratching Or Abusing Lenses

Weatherproof, dust-proof, moisture-proof scope covers protect your scope's lenses from being damaged during tactical and hunting situations. Cover flips open easily with finger pressure to spring up, and out of the way. Eye and Objective covers sold separately. To determine the correct scope cover, measure the diameter of your scope eyepiece or objective and use the chart.

FLIPOPEN OBJECTIVE LENS COVERS Safety Instruction Guide

Introduction

Thank you for choosing the FLIPOPEN OBJECTIVE LENS COVERS. These covers are designed to protect your scope's lenses from dust, moisture, and damage during tactical and hunting situations. This safety instruction guide provides essential information to ensure the safe use of your lens covers in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

To ensure your safety and the longevity of your product, please follow these general safety guidelines:

- Always inspect the lens covers before use for any signs of damage or wear.
- Ensure that the covers fit securely on your scope to prevent accidental dislodging.
- Keep lens covers away from children and vulnerable individuals to avoid any risk of injury.
- Do not use lens covers for any purpose other than their intended use.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

When using the FLIPOPEN OBJECTIVE LENS COVERS, please adhere to the following safety precautions:

- **Avoid High Temperatures:** Do not expose the lens covers to extreme heat or direct sunlight for prolonged periods, as this may cause deformation.
- **Moisture Management:** Although the covers are moistureproof, ensure they are properly closed when not in use to prevent moisture ingress.
- **Proper Handling:** Use finger pressure to flip open the covers gently. Avoid using excessive force that may damage the hinges.
- **Regular Cleaning:** Clean the lens covers regularly with a soft cloth to maintain visibility and prevent scratches.

Instructions for Installation and Usage

Follow these steps for proper installation and usage of the FLIPOPEN OBJECTIVE LENS COVERS:

1. Measure Your Scope:

- Measure the diameter of your scope's objective lens to ensure you select the correct cover size.
- Refer to the provided size chart to find the appropriate cover.

2. Installation:

- Align the lens cover with the objective lens.
- Gently press the cover onto the lens until it fits snugly.
- Ensure the cover is securely in place before use.

3. Usage:

- To open the cover, apply light finger pressure to the designated area.
- The cover will spring open, allowing you to use your scope without obstruction.
- Always close the cover when the scope is not in use to protect the lens.

4. Maintenance:

- Regularly check the fit of the covers and replace them if they show signs of wear or damage.

Disposal Instructions

When disposing of the FLIPOPEN OBJECTIVE LENS COVERS, please follow these guidelines:

- Do not dispose of the product in regular household waste.
- Check local regulations for proper disposal methods for plastic and rubber materials.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any inquiries or concerns regarding the FLIPOPEN OBJECTIVE LENS COVERS, please refer to the product packaging for the appropriate contact information. Your safety and satisfaction are our priorities, and we are here to help you with any questions you may have.

Thank you for your attention to these safety instructions. Enjoy using your FLIPOPEN OBJECTIVE LENS COVERS safely and effectively!
