

LIGHTWEIGHT MAGWELL for GLOCK - Large Magwell

Lightweight Delrin Matches Grip Frame Perfectly

Enlarges the mag well opening for faster mag changes; funnels the magazine right into the chute. Machined from lightweight Delrin material that provides a perfect match to the Glock grip frame. Thin profile doesn't add much bulk or weight; great on carry pistols. Securely held in place with a single screw; requires drilling only one hole in the rear of the grip frame for installation.

LIGHTWEIGHT MAGWELL for GLOCK Safety Instructions

Introduction

Thank you for choosing the LIGHTWEIGHT MAGWELL for GLOCK. This product is designed to enhance your shooting experience by allowing faster magazine changes. It is essential to follow the safety guidelines and instructions provided in this manual to ensure safe and effective use.

General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or handling the magwell.
- Use the magwell only with compatible Glock models (21, 20 for Large; 17, 17L, 19, 22, 23, 24 for Small).
- Inspect the magwell regularly for any signs of wear or damage.
- Do not use the product if it appears damaged or if installation instructions have not been followed correctly.
- Keep the product out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure that you are in a safe area when handling firearms.

Specific Safety Precautions for Use

- Ensure that the magwell is securely attached to the grip frame before use.
- Only use magazines that are compatible with your Glock model.
- Avoid using excessive force when installing or removing the magwell.
- If you experience any difficulty during installation, consult a qualified gunsmith.
- Always follow the manufacturer's recommendations for firearm handling and maintenance.

Instructions for Installation and Usage

Installation Instructions

1. **Preparation:** Ensure the firearm is unloaded and safe.
2. **Positioning:** Align the magwell with the existing grip frame of your Glock.
3. **Drilling:** Using a drill, create a hole in the rear of the grip frame as specified in the installation guide.
4. **Securing:** Attach the magwell using the provided screw, ensuring it is tightened securely.
5. **Final Check:** Verify that the magwell is securely in place and does not interfere with the operation of the firearm.

Usage Instructions

- When using the magwell, ensure that the magazine is inserted smoothly into the funnel.
- Practice magazine changes in a safe environment to become familiar with the enhanced functionality.
- Regularly check the fit and security of the magwell during routine firearm inspections.

Disposal Instructions

- Dispose of the magwell in accordance with local regulations regarding plastic waste.
- If the product is no longer usable, consider recycling options where available.

Contact Information for Further Support

For any inquiries regarding the LIGHTWEIGHT MAGWELL for GLOCK, please contact the manufacturer or refer to the product packaging for additional support resources.

Stay safe and enjoy your enhanced shooting experience with the LIGHTWEIGHT MAGWELL for GLOCK!
