Introduction

Thank you for choosing the COLT SAA Rear Sight Detent Ball Unfinished. This product is designed for use with the Colt Single Action Army model. This safety instruction guide provides essential information to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle the product with care to avoid injuries.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of damage or wear.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Use the COLT SAA Rear Sight Detent Ball Unfinished only with compatible Colt Single Action Army models.
- Avoid using excessive force when installing or adjusting the detent ball to prevent damage.
- Wear safety goggles and gloves during installation to protect your eyes and hands.
- Do not modify the product in any way, as this may compromise safety and functionality.
- Ensure that the work area is clean and free of distractions during installation.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools for installation.
- Ensure the firearm is unloaded and in a safe condition before beginning work.

2. Installation Steps

- Locate the rear sight assembly on the Colt Single Action Army.
- Carefully remove the existing detent ball if applicable.
- Insert the COLT SAA Rear Sight Detent Ball Unfinished into the designated area of the rear sight assembly.
- Secure the detent ball in place according to the manufacturer's specifications.

3. Usage Instructions

- After installation, test the functionality of the rear sight to ensure proper alignment and operation.
- Regularly check the detent ball for any signs of wear or looseness during routine maintenance of the firearm.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the product is damaged or no longer needed, please dispose of it responsibly. Check with local waste management services for proper disposal methods.
