# Safety Instruction Guide for M4 5.56 Upper Receiver Groups

## Introduction

Thank you for choosing the M4 5.56 Upper Receiver Group manufactured by Colt. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document thoroughly before handling or using the upper receiver group.

## General Safety Guidelines

- Ensure that you are familiar with all local laws and regulations regarding firearms and firearm accessories.
- Always treat every firearm as if it is loaded.
- Keep firearms pointed in a safe direction at all times.
- Store the upper receiver group and all firearms in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your upper receiver group for any signs of wear, damage, or malfunction.
- Use only appropriate ammunition as specified by the manufacturer.
- Do not modify the upper receiver group in any way that could compromise its safety or functionality.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms.

## Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before installation or maintenance of the upper receiver group.
- Verify that the upper receiver group is compatible with your lower receiver.
- Follow the manufacturer's instructions for the installation of the upper receiver group.
- Be aware of the potential hazards associated with the use of firearms, including accidental discharge and injury.
- Never leave a loaded firearm unattended.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is unloaded.
- Gather all necessary tools for installation, including a torque wrench, if required.

### 2. Installation:

- Align the upper receiver group with the lower receiver.
- Insert the takedown pins to secure the upper receiver to the lower receiver.
- Ensure that the upper receiver is firmly attached and that the takedown pins are fully engaged.

### 3. Function Check:

- Perform a function check to ensure that the upper receiver group operates correctly.
- Check the charging handle, bolt carrier group, and sights for proper operation.

### 4. Usage:

- Load the firearm with appropriate ammunition.

- Follow standard firearm safety practices while handling and firing the weapon.
- After use, clean and maintain the upper receiver group according to the manufacturer's recommendations.

## **Disposal Instructions**

- Dispose of any damaged or nonfunctional upper receiver group according to local regulations.
- Ensure that all components are rendered unusable before disposal.
- Consult local authorities for proper disposal methods of firearms and firearm components.

## **Contact Information for Further Support**

For any inquiries regarding safety, usage, or maintenance of the M4 5.56 Upper Receiver Group, please refer to the manufacturer's contact resources. Ensure to keep this guide for future reference.

By adhering to these safety guidelines and instructions, you can help ensure a safe and enjoyable experience with your M4 5.56 Upper Receiver Group. Thank you for prioritizing safety and responsible firearm ownership.
