Safety Instruction Guide for M4 5.56 Upper Receiver Groups

Introduction

Thank you for choosing the M4 5.56 Upper Receiver Groups. This product is designed to enhance the performance and reliability of your firearm. It is essential to read and understand this safety instruction guide to ensure safe and effective use. This guide complies with the EU General Product Safety Regulation (GPSR) to provide you with the necessary safety information.

General Safety Guidelines

- Ensure that your firearm is always handled safely and responsibly.
- Always treat every firearm as if it is loaded.
- Store your firearm in a secure location, out of reach of children and unauthorized users.
- Use appropriate personal protective equipment (PPE) such as eye and ear protection when handling or shooting.
- Regularly inspect your firearm and components for signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and use.
- Be aware of your surroundings and ensure a safe shooting environment.

Specific Safety Precautions for Use

- Only use ammunition that is specified for use with the Colt M4 5.56 Upper Receiver Groups, including .223 Remington and 5.56 mm NATO.
- Do not modify the upper receiver group or any associated components unless performed by a qualified gunsmith.
- Ensure that the bolt carrier group (BCG) is properly installed before use.
- Always check that the firearm is unloaded before performing maintenance or installation.
- Keep your fingers off the trigger until you are ready to shoot.
- Be mindful of the potential for misfires and hangfires. If a round does not fire, keep the firearm pointed in a safe direction for at least 30 seconds before attempting to clear the chamber.

Instructions for Installation and Usage

1. Installation of the Upper Receiver Group:

- Ensure the lower receiver is empty and safe.
- Align the upper receiver with the lower receiver.
- Push the upper receiver forward until it is securely locked in place.
- Verify that the upper receiver is properly seated and that the takedown pins are secure.

2. Installation of the Bolt Carrier Group (BCG):

- Open the upper receiver and insert the BCG into the receiver.
- Ensure that the BCG is fully seated and locked into place.
- Check that the charging handle is installed correctly.

3. Usage:

- Load the firearm only when you are in a safe shooting position.
- Keep the muzzle pointed in a safe direction at all times.
- Follow the specific operating procedures for your firearm model.

- Engage the safety until you are ready to fire.

Disposal Instructions

- Dispose of all firearm components in accordance with local laws and regulations.
- Do not dispose of any firearm parts in regular household waste.
- Contact a licensed firearms dealer or local law enforcement for proper disposal options.

Contact Information for Further Support

For any inquiries or concerns regarding the M4 5.56 Upper Receiver Groups, including safety issues, please reach out to your local authorized dealer or consult with a qualified gunsmith. It is important to have a reliable contact for safety inquiries and support.

Conclusion

By following these safety instructions and guidelines, you will ensure the safe use of your M4 5.56 Upper Receiver Groups. Regularly review these instructions and stay informed about best practices for firearm safety. Always prioritize safety for yourself and those around you.
