# Safety Instruction Guide for AR15 A4 Lock Washer

## Introduction

Thank you for choosing the AR15 A4 Lock Washer. This product is designed to enhance the performance and safety of your Colt AR15 series firearm. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always ensure the firearm is unloaded before performing any installation or maintenance.
- Store the lock washer and firearm in a secure location away from children and unauthorized users.
- Regularly inspect the lock washer for wear and damage. Replace if necessary.
- Follow all local laws and regulations regarding the use and modification of firearms.
- Report any unsafe products or accidents to the relevant authorities.
- Check the EU's Safety Gate platform for any recall updates related to this product.

## Specific Safety Precautions for Use

- Ensure that the lock washer is compatible with your specific model of Colt AR15 before installation.
- Never exceed the recommended torque specifications when installing the lock washer.
- Use appropriate tools to avoid damaging the lock washer or the firearm.
- Wear safety glasses when working with firearms to protect your eyes from debris.
- Do not attempt to modify the lock washer or use it for any unintended purpose.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a torque wrench and appropriate sockets.
- Ensure that your workspace is clean and welllit.

### 2. Installation Steps:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove any existing lock washer or fastener from the firearm.
- Clean the surface where the lock washer will be installed to ensure a secure fit.
- Position the new lock washer onto the designated area of the firearm.
- Using a torque wrench, tighten the lock washer to the manufacturer's recommended torque specifications. Do not overtighten as this can cause damage.

### 3. PostInstallation:

- Inspect the installation to ensure that the lock washer is seated properly.
- Test the firearm in a safe environment to ensure proper function.
- Regularly check the lock washer for tightness and signs of wear.

## Disposal Instructions

- Dispose of the lock washer in accordance with local regulations.
- Do not throw the lock washer in general waste if it shows signs of corrosion or damage.
- Consider recycling options if available in your area.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the AR15 A4 Lock Washer, please reach out to the appropriate support channels. Ensure that you have your product details ready for reference.

Thank you for your attention to these safety instructions. Your safety and the safety of others is our top priority.
