

1911 SLIDES - CASPIAN CARBON STEEL, BO-MAR SIGHT CUT, .45 ACP

[Handgun Parts](#) > [Slide Parts](#) > [Slides](#)

Superb Strength & Precise Tolerances For The Ultimate Combat Pistol

Custom-quality slides from Caspian, ready to be fitted to the frame of your choice. They start as high-quality forgings for extra strength, then are heat-treated to Rc 38-41 before machining for exceptional dimensional stability. Sides are polished, while the rest of the surface is bead-blasted for a non-glare, matte finish. Deep-cut, forward-angled rear cocking serrations prevent slippage when racking, even with a wet hand. Available in 4340 carbon steel (CS) and 416 stainless steel (SS) with .45 ACP, .40 S&W, and 9mm breechfaces. Commander and Officers models in .45 ACP only. Choose a slide without sight cuts (NC), or between two pre-cut dovetail options: a Novak Lo-Mount or Bo-Mar BMCS rear cut, both coupled with a Novak front cut. Recon slide is a Government slide with ball cuts at the front that line up with the light rail on the Caspian Recon frame (available separately). All slides require the use of a 9mm/.38 Super firing pin.

Attributes

- Name: [CASPIAN CARBON STEEL, BO-MAR SIGHT CUT, .45 ACP](#)

Safety Instruction Guide for 1911 Slides Caspian Carbon Steel

Introduction

Thank you for choosing the 1911 Slides Caspian Carbon Steel. This product is designed for use with your 1911 firearm and is made from highquality materials to ensure durability and performance. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Store the slide and firearm securely when not in use.
- Keep the slide out of reach of children and unauthorized users.
- Always use appropriate safety equipment, such as eye and ear protection, when handling firearms.
- Familiarize yourself with local laws regarding firearm use and ownership.
- Regularly inspect your slide for any signs of wear or damage before use.
- Ensure all components are compatible with your firearm model to avoid malfunction.

Specific Safety Precautions for Use

• Potential Hazards:

- Improper installation may lead to firearm malfunction.
- Use of incompatible components can cause damage to the firearm or injury to the user.
- Failure to follow proper handling procedures may result in accidental discharge.

• Avoiding Hazards:

- Always follow the manufacturer's instructions for installation and use.
- Do not attempt to modify the slide or firearm components.
- Ensure the firearm is unloaded before attaching or detaching the slide.
- Avoid using the slide in wet or slippery conditions to prevent loss of grip.

• AgeSpecific Warnings:

- This product is intended for use by individuals aged 18 and over.
- Ensure that younger users are supervised by a qualified adult at all times.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing slide by following the manufacturer's instructions for your specific 1911 model.
- Align the Caspian slide with the frame of your firearm, ensuring that all components fit securely.
- Carefully attach the slide, ensuring proper alignment and function.
- Verify that the slide operates smoothly before use.

2. Usage:

- Always ensure the firearm is pointed in a safe direction when loading or unloading.

- Use only compatible ammunition (.45 ACP, .40 S&W, or 9mm) as specified for your slide.
- Be aware of your surroundings and ensure a safe shooting environment.
- After use, clean and maintain the slide according to the manufacturer's recommendations.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the slide is damaged beyond repair, consult local guidelines for proper disposal of firearm components.
- Ensure that any nonfunctional or damaged parts are kept out of reach of children and disposed of safely.

Contact Information for Further Support

For any inquiries regarding safety, installation, or maintenance of your 1911 Slides Caspian Carbon Steel, please consult the manufacturer's website or customer service resources. It is advisable to keep this manual accessible for future reference.

By following these safety guidelines and instructions, you can help ensure a safe and enjoyable experience with your 1911 Slides Caspian Carbon Steel. Always prioritize safety and responsible firearm handling.
