

1911 GOVERNMENT CARBON FRAME W/NOLIN CUT - STANDARD RECEIVER W/NOWLIN, CARBON, SMOOTH

[Handgun Parts](#) > [Frame Parts](#) > [Frames](#)

Build an outstanding, custom 1911 using one of these top-quality, single-stack receivers as the foundation. Models and features available for any custom project needs. Precision cast from carbon or stainless steel, and CNC machined to final dimensions. Heat treated to Rc 22-24 for optimum performance and durability. Oversize frame rails allow the gunsmith to achieve an exceptionally tight slide-to-frame fit for more consistent accuracy. Select models available with smooth front strap or with crisp CNC machine-cut checkering. Available with pre-cut to accept barrels with Nowlin/Wilson style feed ramp.

Safety Instruction Guide for 1911 Government Carbon Frame W/Nowlin Cut Standard Receiver

Introduction

Thank you for choosing the 1911 Government Carbon Frame W/Nowlin Cut Standard Receiver. This guide provides essential safety instructions and guidelines to ensure the safe use and handling of your product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that you are familiar with all local laws and regulations regarding firearm ownership and usage.
- Always treat your firearm as if it is loaded, even if you believe it to be unloaded.
- Store your firearm securely and out of reach of children and unauthorized users.
- Regularly inspect your firearm for any signs of wear or damage.
- Do not modify your firearm without consulting a qualified gunsmith.
- Use only ammunition recommended for your firearm to avoid malfunctions or injuries.
- Keep your firearm clean and wellmaintained to ensure optimal performance.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when handling or firing your firearm.
- Ensure that the area around you is clear of people and obstacles before firing.
- Never point your firearm at anything you do not intend to shoot.
- Be aware of your target and what lies beyond it.
- Do not consume alcohol or drugs before or while handling your firearm.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure that you have all necessary tools and components before beginning the installation.
2. **Safety Check:** Verify that the firearm is unloaded and the safety is engaged.
3. **Frame Assembly:**
 - Align the receiver with the frame.
 - Use appropriate screws and tools to secure the receiver to the frame.
 - Ensure that all connections are tight and secure.
4. **Final Inspection:** Check for any misalignments or loose components. Make adjustments as necessary.

Usage

1. **Loading:** Use only compatible ammunition as specified for your firearm.
2. **Firing:**
 - Hold the firearm firmly with both hands.
 - Aim at your target and ensure the area is clear.
 - Gently squeeze the trigger to fire.
3. **PostFiring:** After firing, ensure the firearm is unloaded and properly stored.

Disposal Instructions

- Dispose of any unused or damaged firearms in accordance with local laws and regulations.
- Contact local authorities for guidance on proper disposal methods.

- Do not dispose of firearms in regular waste.

Contact Information for Further Support

For any safety inquiries or concerns, please contact your local firearms dealer or a qualified gunsmith. It is important to have access to professional advice for any issues related to your firearm.

Conclusion

Your safety and the safety of others is paramount. By following these guidelines and instructions, you can ensure a safe and enjoyable experience with your 1911 Government Carbon Frame W/Nowlin Cut Standard Receiver. Always prioritize safety and seek professional assistance when needed.
