

1911 GOVERNMENT 45ACP S/S FRAME W/NOWLIN CUT - STANDARD RECEIVER W/NOWLIN, SS, SMOOTH

[Handgun Parts](#) > [Frame Parts](#) > [Frames](#)

Build an outstanding, custom 1911 using one of these top-quality, single-stack receivers as the foundation. Models and features available for any custom project needs. Precision cast from carbon or stainless steel, and CNC machined to final dimensions. Heat treated to Rc 22-24 for optimum performance and durability. Oversize frame rails allow the gunsmith to achieve an exceptionally tight slide-to-frame fit for more consistent accuracy. Select models available with smooth front strap or with crisp CNC machine-cut checkering. Available with pre-cut to accept barrels with Nowlin/Wilson style feed ramp.

Safety Instruction Guide for 1911 GOVERNMENT 45ACP S/S FRAME W/NOWLIN CUT STANDARD RECEIVER W/NOWLIN

Introduction

Thank you for choosing the 1911 GOVERNMENT 45ACP S/S FRAME W/NOWLIN CUT STANDARD RECEIVER W/NOWLIN. This product is designed for custom firearm builds and requires careful handling and installation. Please read this safety instruction guide thoroughly to ensure safe and effective use.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep firearms pointed in a safe direction at all times.
- Store firearms securely and out of reach of children and unauthorized individuals.
- Use appropriate eye and ear protection when handling or shooting firearms.
- Be aware of your surroundings and ensure a safe environment before discharging a firearm.
- Follow all local laws and regulations regarding firearm ownership and use.
- Regularly inspect your firearm for any signs of wear or damage.

Specific Safety Precautions for Use

- Ensure that the frame is compatible with the components being used in your custom build.
- Use only parts that are designed for the 1911 model to avoid malfunctions.
- Avoid using excessive force when installing components to prevent damage.
- Always perform a function check after assembly to ensure proper operation.
- Do not modify the frame or components unless you are a qualified gunsmith.
- If you are unsure about any aspect of the assembly or operation, seek professional assistance.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and components required for your build.
- Ensure that your workspace is clean and organized to prevent accidents.

2. Installation:

- Begin by fitting the frame to the chosen slide and barrel. Ensure that all parts align correctly.
- Use a proper fitting technique to achieve a tight slidetoframe fit. This may require precision machining.
- If applicable, install the smooth front strap or checkering as desired.
- Ensure that the Nowlin/Wilson style feed ramp is properly cut for barrel installation.

3. Final Assembly:

- After all components are installed, conduct a thorough inspection of the firearm.
- Check for any loose parts or misalignments that may affect performance.
- Perform a function check by cycling the action without ammunition to ensure smooth operation.

4. Usage:

- Always load ammunition in a safe environment, following all safety guidelines.
- When ready to shoot, confirm that the firearm is pointed in a safe direction.
- Be mindful of the firing range rules and regulations if using the firearm in a public space.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste management regulations.
- If the frame or any components become damaged beyond repair, consult with a qualified gunsmith for proper disposal methods.
- Do not dispose of firearms or firearm components in regular trash. Follow local laws for the disposal of firearms.

Contact Information for Further Support

For questions or concerns regarding the safety and usage of your 1911 GOVERNMENT 45ACP S/S FRAME W/NOWLIN CUT STANDARD RECEIVER W/NOWLIN, please consult a qualified gunsmith or contact the manufacturer directly.

Conclusion

Following these safety instructions will help ensure a safe and enjoyable experience with your 1911 GOVERNMENT 45ACP S/S FRAME W/NOWLIN CUT STANDARD RECEIVER W/NOWLIN. Always prioritize safety and seek professional assistance when needed. Thank you for choosing our product, and enjoy your custom firearm build!
