

1911 COMMANDER RECEIVER CARBON - COMMANDER RECEIVER W/NOWLIN, CARBON, 25 LPI CHECKERING

[Handgun Parts](#) > [Frame Parts](#) > [Frames](#)

Build an outstanding, custom 1911 using one of these top-quality, single-stack receivers as the foundation. Models and features available for any custom project needs. Precision cast from carbon or stainless steel, and CNC machined to final dimensions. Heat treated to Rc 22-24 for optimum performance and durability. Oversize frame rails allow the gunsmith to achieve an exceptionally tight slide-to-frame fit for more consistent accuracy. Select models available with smooth front strap or with crisp CNC machine-cut checkering. Commander models are available with 25 lpi checkered front strap and pre-cut to accept barrels with Nowlin/Wilson-style feed ramp OR available in a plain, unchecked configuration that accepts standard, unramped barrels.

Safety Instruction Guide for 1911 Commander Receiver

Introduction

Thank you for choosing the 1911 Commander Receiver. This guide provides essential safety instructions to ensure the safe use and handling of your product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used only by individuals who are knowledgeable about firearms.
- Always handle firearms with caution and treat every firearm as if it is loaded.
- Store the receiver in a secure location, away from children and unauthorized users.
- Familiarize yourself with local laws and regulations regarding firearm ownership and modifications.
- Regularly inspect the receiver for any signs of wear or damage before use.
- In case of any malfunction or uncertainty, consult a qualified gunsmith.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when handling or firing firearms.
- Do not modify the receiver in a way that could compromise its safety or functionality.
- Ensure that the receiver is installed correctly to avoid accidents during use.
- Use only compatible components and ammunition as specified by the manufacturer.
- If you are unfamiliar with the installation or use, seek assistance from a qualified gunsmith.
- Avoid using the receiver in wet or humid conditions to prevent corrosion.

Instructions for Installation and Usage

1. Installation

- Ensure that all parts are present and in good condition before starting the installation.
- Follow the manufacturer's instructions for fitting the receiver to your frame.
- If gunsmith fitting is required, consult a qualified gunsmith for proper installation.
- Ensure that the frame rails are properly aligned for optimal performance.

2. Usage

- After installation, test the fit of the slide to the frame before firing.
- Always check that the firearm is unloaded before performing any maintenance or adjustments.
- Load ammunition only after confirming that the firearm is in a safe environment.
- Practice safe shooting habits, including pointing the firearm in a safe direction at all times.

Disposal Instructions

- Dispose of any unused or damaged parts in accordance with local regulations.
- Do not throw away the receiver in regular household waste.
- Contact local authorities or waste disposal facilities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or further assistance, please refer to the manufacturer's contact information provided

with your product.

Thank you for taking the time to read this safety instruction guide. Your safety and the safety of others is paramount. Please handle your 1911 Commander Receiver responsibly.
