

1911 COMMANDER RECEIVER W/NOWLIN S/S - COMMANDER RECEIVER W/NOWLIN, SS, 25 LPI CHECKERING

[Handgun Parts](#) > [Frame Parts](#) > [Frames](#)

Build an outstanding, custom 1911 using one of these top-quality, single-stack receivers as the foundation. Models and features available for any custom project needs. Precision cast from carbon or stainless steel, and CNC machined to final dimensions. Heat treated to Rc 22-24 for optimum performance and durability. Oversize frame rails allow the gunsmith to achieve an exceptionally tight slide-to-frame fit for more consistent accuracy. Select models available with smooth front strap or with crisp CNC machine-cut checkering. Commander models are available with 25 lpi checkered front strap and pre-cut to accept barrels with Nowlin/Wilson-style feed ramp.

Safety Instruction Guide for 1911 Commander Receiver

Introduction

Thank you for choosing the 1911 Commander Receiver. This guide provides essential safety instructions and information to ensure the safe use and handling of your receiver. Please read this guide carefully before installation or use.

General Safety Guidelines

- Ensure that you are familiar with the laws and regulations regarding firearm ownership in your country or region.
- Always treat your firearm as if it is loaded, even if you believe it is not.
- Keep firearms out of reach of children and unauthorized individuals.
- Use appropriate personal protective equipment (PPE) when handling firearms, including safety glasses and hearing protection.
- Regularly inspect your firearm and its components for signs of wear or damage.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- **Installation:**
 - Gunsmith fitting is required for proper installation.
 - Only qualified professionals should perform any modifications or installations.
- **Handling:**
 - Always keep the muzzle pointed in a safe direction.
 - Do not place your finger on the trigger until you are ready to shoot.
- **Storage:**
 - Store your firearm in a secure location, preferably in a locked safe or cabinet.
 - Use a trigger lock or other safety device to prevent accidental discharge.
- **Ammunition:**
 - Use only ammunition that is compatible with your 1911 Commander Receiver.
 - Check the specifications to ensure the correct caliber is used.

Instructions for Installation and Usage

Installation

1. Preparation:

- Gather all necessary tools and materials for installation.
- Ensure a clean and welllit workspace.

2. Fitting:

- Have a qualified gunsmith fit the receiver to your existing components.
- Ensure that the frame rails are properly aligned for a tight slidetoframe fit.

3. Checkering:

- If applicable, ensure that the checkering is properly cut for optimal grip.

4. Final Inspection:

- After installation, conduct a thorough inspection of the firearm to ensure everything is properly assembled and functioning.

Usage

1. Loading:

- Load the firearm only when you are ready to use it.
- Follow the manufacturer's guidelines for loading and unloading the firearm.

2. Shooting:

- Always shoot in a safe environment, away from people and structures.
- Follow all range rules and regulations if using a shooting range.

3. Maintenance:

- Regularly clean and maintain your firearm to ensure its longevity and performance.
- Refer to the manufacturer's manual for specific maintenance instructions.

Disposal Instructions

- Dispose of the 1911 Commander Receiver in accordance with local regulations.
- Do not dispose of the receiver in regular household waste.
- Contact local authorities or waste management services for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the 1911 Commander Receiver, please reach out to the manufacturer or authorized dealer for assistance.

Thank you for your attention to these safety instructions. Your safety and the safety of others depend on responsible handling and use of your firearm.
