

# 1911 OFFICER RECEIVER CARBON W/NOWLIN - OFFICERS RECEIVER W/NOWLIN, CARBON, 25 LPI CHECKERING

[Handgun Parts](#) > [Frame Parts](#) > [Frames](#)

Build an outstanding, custom 1911 using one of these top-quality, single-stack receivers as the foundation. Models and features available for any custom project needs. Precision cast from carbon or stainless steel, and CNC machined to final dimensions. Heat treated to Rc 22-24 for optimum performance and durability. Oversize frame rails allow the gunsmith to achieve an exceptionally tight slide-to-frame fit for more consistent accuracy. Select models available with smooth front strap or with crisp CNC machine-cut checkering. Officers models are available with 25 lpi checkered front strap and pre-cut to accept barrels with Wilson-style feed ramp OR available in a plain, uncheckered configuration that accepts standard, unramped barrels.

# Safety Instruction Guide for the 1911 Officer Receiver Carbon

## Introduction

Thank you for choosing the 1911 Officer Receiver Carbon. This product is designed to provide a solid foundation for your custom 1911 build. It is essential to follow safety guidelines and instructions to ensure safe and effective use. This guide outlines the necessary precautions, installation instructions, and disposal information to help you use this product safely.

## General Safety Guidelines

- Always treat the firearm as if it is loaded, even if you believe it is not.
- Keep the firearm pointed in a safe direction at all times.
- Ensure that you are in a safe environment when handling the receiver and associated components.
- Store the firearm and its components in a secure location, away from children and unauthorized users.
- Regularly inspect the receiver and other components for any signs of wear or damage.
- Use only compatible parts and accessories with the 1911 Officer Receiver Carbon to avoid malfunctions.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure you are of legal age and have the necessary permits to purchase and use firearms.
- Always wear appropriate safety gear, including eye and ear protection, when handling firearms.
- Do not modify the receiver or its components beyond manufacturer specifications.
- Be cautious of sharp edges and metal filings during installation and handling.
- Ensure that the area is wellventilated when working with any chemicals or lubricants.
- If you are inexperienced with firearms, seek guidance from a qualified gunsmith or firearms instructor.

## Instructions for Installation and Usage

### Installation

#### 1. Preparation

- Gather all necessary tools and components required for the installation.
- Ensure that your workspace is clean and organized.

#### 2. Fitting the Receiver

- Carefully align the receiver with the other components of the 1911 build.
- Use precision tools to ensure a snug fit without forcing any parts together.

#### 3. Securing the Receiver

- Follow the manufacturer's guidelines for securing the receiver to the frame.
- Ensure all screws and fasteners are tightened to the recommended torque specifications.

#### 4. Final Inspection

- Conduct a thorough inspection of the assembled firearm.
- Check for any misalignments or loose parts before proceeding to use.

## Usage

### 1. Loading and Unloading

- Always follow safe practices when loading and unloading your firearm.
- Ensure the firearm is pointed in a safe direction when loading or unloading.

### 2. Shooting

- Only shoot at designated ranges or areas where it is safe to do so.
- Be aware of your surroundings and ensure that no one is in the line of fire.

### 3. PostUse Care

- Clean the firearm after each use to maintain its performance and safety.
- Store the firearm properly after use, ensuring it is unloaded and secured.

## Disposal Instructions

- If you need to dispose of the receiver or any firearm components, check local regulations regarding firearm disposal.
- Do not dispose of firearms or firearm components in regular trash.
- Consider contacting a local gunsmith or firearms dealer for safe disposal options.

## Contact Information for Further Support

For any inquiries regarding safety, installation, or usage of the 1911 Officer Receiver Carbon, please consult the manufacturer's customer support or a qualified gunsmith. Always ensure that you have access to reliable information and support for your firearm needs.

By following these guidelines and instructions, you can ensure a safe and enjoyable experience with your 1911 Officer Receiver Carbon. Always prioritize safety and compliance with local laws to protect yourself and others.
