Safety Instruction Guide for 1911 Race Ready Receiver

Introduction

Thank you for choosing the 1911 Race Ready Receiver, Carbon, 20LPI. This guide provides essential safety instructions to ensure safe usage and handling of the product. Please read this manual thoroughly before installation and use.

General Safety Guidelines

- Ensure that you are familiar with the local laws and regulations governing the purchase, ownership, and use of firearms.
- Always handle firearms with care and treat every firearm as if it is loaded.
- Keep the receiver and all firearms out of reach of children and unauthorized users.
- Regularly inspect the receiver for signs of wear or damage before use.
- Follow all safety protocols established by your gunsmith or local shooting range.

Specific Safety Precautions for Use

- When using the 1911 Race Ready Receiver, always wear appropriate personal protective equipment, including eye and ear protection.
- Ensure that the firearm is not loaded during installation or maintenance.
- Use only compatible components with the 1911 Race Ready Receiver to avoid malfunctions.
- Be aware of your surroundings and ensure that the area is safe before discharging the firearm.
- If you notice any unusual behavior or performance from the firearm, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation:

- Ensure that you have the required tools and a clean workspace before beginning installation.
- Carefully follow the instructions provided by your gunsmith for installing the receiver onto the frame.
- Ensure that all screws and components are tightened to the manufacturer's specifications.
- Check that the slide operates smoothly on the frame before proceeding to use the firearm.

2. Usage:

- Load the firearm only when you are ready to shoot.
- Always point the firearm in a safe direction when loading or unloading.
- After use, always clear the firearm by ensuring it is unloaded and visually checking the chamber.
- Store the firearm in a secure location, such as a locked safe, when not in use.

Disposal Instructions

- Dispose of the 1911 Race Ready Receiver according to local regulations for firearm parts.
- If the receiver is damaged beyond repair, consult with local authorities or a licensed firearms dealer for proper disposal methods.
- Do not dispose of the receiver in regular household waste.

Contact Information for Further Support

For further support and inquiries regarding safety, please refer to your local firearms authority or consult a qualified gunsmith. Always ensure that you are following the most current safety guidelines and legal requirements.

Thank you for your attention to these safety instructions. Your safety and the safety of others depend on responsible handling and use of your firearm.
