

NO-GO HEADSPACE GAUGES - CLYMER NO GO 45-70 GOVERNMENT HEADSPACE GAUGE STEEL

[Gunsmith Tools](#) > [Measuring Tools](#) > [Headspace Gauges](#)

Absolutely Essential For Accurate, Safe, Chamber Work

CLYMER NO-GO HEADSPACE GAUGES The Clymer No-Go Headspace Gauges are precision tools designed to help gunsmiths and firearm enthusiasts verify that a firearm's chamber does not exceed the maximum safe headspace dimensions. By identifying excessive chamber length, these gauges prevent potential safety hazards such as case ruptures or misfires, ensuring the firearm operates within the specified tolerances. They are essential during the chambering of new barrels, routine maintenance, or when assessing used firearms for purchase. Key Features: Precision Machining: Each gauge is crafted from high-quality steel and machined to exact SAAMI specifications, ensuring accurate and reliable measurements. Caliber Specificity: Available in a wide range of calibers, these gauges cater to various firearm types, providing versatility for gunsmiths working with multiple platforms. Durable Construction: Built to withstand repeated use, the hardened steel construction ensures longevity and consistent performance in demanding workshop environments. Specifications: Material: Hardened steel Dimensions: Size varies with caliber and gauge style Compliance: Manufactured to SAAMI specifications Customer Insights: Customers value the Clymer No-Go Headspace Gauges for their precision and reliability. The accurate machining and adherence to industry standards provide confidence during firearm assembly and inspection processes. Users appreciate the wide range of available calibers, allowing them to select the appropriate gauge for their specific needs. The durable construction is frequently highlighted, with many noting that the gauges maintain their accuracy even after extensive use. Incorporating the Clymer No-Go Headspace Gauges into your gunsmithing toolkit ensures that your firearm chambers are within safe operational limits, enhancing both safety and performance.

Attributes

- Name: [CLYMER NO GO 45-70 GOVERNMENT HEADSPACE GAUGE STEEL](#)
- Manufacturer: [CLYMER](#)
- Product no.: 184100331
- Mfr. No.: NG45/70GOVT
- Cartridge: 33 WCF, 348 Winchester, 40-65 Winchester, 45-70 Government
- Colour: Steel
- Height: 0.495"
- Length: 0.73"
- Material: Steel
- Model Number: NO GO 45-70 Government
- Style: No Go Gauge
- Weight: 0.1 lbs
- Width: 0.495"
- Delivery weight: 0.018kg
- Shipping height: 18mm
- Shipping width: 18mm
- Shipping length: 58mm

Safety Instruction Guide for CLYMER NOGO HEADSPACE GAUGES CLYMER NO GO 4570 GOVERNMENT HEADSPACE GAUGE STEEL

Introduction

Thank you for choosing the CLYMER NOGO HEADSPACE GAUGES CLYMER NO GO 4570 GOVERNMENT HEADSPACE GAUGE STEEL. This guide provides important safety information, usage instructions, and disposal guidelines to ensure your safety and the proper functioning of the product. Please read this guide carefully before using the product.

General Safety Guidelines

- Always ensure the gauge is compatible with the firearm and cartridge you are using.
- Use the gauge in a safe environment, free from distractions and hazards.
- Inspect the gauge for any damage or wear before use. Do not use if damaged.
- Keep the gauge out of reach of children and unauthorized users.
- Always follow the manufacturer's instructions for use and maintenance.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper use of the gauge can lead to unsafe chambering, resulting in firearm malfunction or injury.
- Always check the headspace before firing a used gun to prevent accidents.

- **Avoiding Hazards:**

- Use the gauge only for its intended purpose.
- Do not force the gauge into the chamber; it should fit smoothly.
- If the gauge does not fit properly, do not attempt to modify it or the firearm.

- **AgeSpecific Warnings:**

- This product is intended for use by adults only. Keep it away from children.
- Ensure that anyone using the gauge has proper knowledge of firearms and their safety.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather the necessary tools and materials for chambering.

2. Using the Gauge:

- Insert the NOGO gauge into the chamber of the firearm.
- Ensure that the gauge fits snugly but does not require excessive force.
- If the bolt does not close completely, the chamber is safe for use. If it does close, consult a qualified gunsmith.

3. **PostUse Care:**

- Clean the gauge after each use to maintain its accuracy and longevity.
- Store the gauge in a safe, dry place away from moisture and extreme temperatures.

Disposal Instructions

- Dispose of the gauge according to local regulations for metal materials.
- Do not dispose of the gauge in household waste. Check with local authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and usage of this product, please refer to the manufacturer's contact information provided with the product packaging or visit the manufacturer's website.

Conclusion

By following the guidelines and instructions in this safety instruction guide, you can ensure safe and effective use of the CLYMER NOGO HEADSPACE GAUGES CLYMER NO GO 4570 GOVERNMENT HEADSPACE GAUGE STEEL. Your safety is paramount, and we encourage you to report any unsafe products or incidents to the appropriate authorities. Thank you for prioritizing safety in your firearm practices.
