SHOTGUN BUSHINGS CLYMER BUSHING, 20 GA, .610 (15.5MM) Safety Instruction Guide

Introduction

Thank you for purchasing the SHOTGUN BUSHINGS CLYMER BUSHING, 20 GA, .610 (15.5MM). This guide provides important safety instructions and guidelines to ensure the safe use of this product. Please read and follow these instructions carefully to minimize risks and ensure a safe experience.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's specifications.
- Always inspect the bushing for any signs of damage or wear before use.
- Use the bushing only with compatible shotguns and cartridges as specified.
- Keep the product out of reach of children and unauthorized users.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Potential Hazards:**

- Improper installation may lead to malfunctions or accidents.
- Using the bushing with incompatible firearms or cartridges can result in dangerous situations.

- **Avoiding Hazards:**

- Always doublecheck that the bushing is properly secured before use.
- Ensure that the shotgun is unloaded before installing or removing the bushing.
- Do not modify the bushing or use it in a manner not intended by the manufacturer.

- **AgeSpecific Warnings:**

- This product is not intended for use by individuals under the age of 18. Always supervise young users when they are in the vicinity of firearms.

Instructions for Installation and Usage

1. Installation:

- Ensure that the shotgun is completely unloaded.
- Remove any existing bushing from the shotgun barrel.
- Align the CLYMER BUSHING with the barrel and push it into place until it is securely fitted.
- Check that the bushing is flush with the barrel and does not protrude.

2. Usage:

- Use the bushing only with 20 gauge ammunition.
- Always follow standard firearm safety practices when handling the shotgun.
- After use, remove the bushing and clean it as necessary to maintain its integrity.

Disposal Instructions

- Dispose of the bushing in accordance with local regulations.
- Do not throw the bushing in regular household waste. Check for recycling options or hazardous waste disposal facilities in your area.

Contact Information for Further Support

For any safety inquiries or concerns regarding this product, please contact your local distributor or consult the manufacturer's website for additional resources and support.

Thank you for prioritizing safety and compliance with the EU General Product Safety Regulation. Enjoy your product responsibly!
