Safety Instruction Guide for SHOTGUN BUSHINGS CLYMER BUSHING, 12 GA, .725 (18.4MM)

Introduction

Thank you for choosing the Clymer Shotgun Bronze Bushing. This guide provides essential safety instructions to ensure safe handling, installation, and usage of the product. It complies with the EU General Product Safety Regulation (GPSR) to protect consumers and promote safe use.

General Safety Guidelines

- Always read and understand the instructions before using the product.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any visible defects before use.
- Use the product only for its intended purpose as described in this guide.
- Follow all local laws and regulations regarding the use of firearms and related accessories.
- Report any unsafe products or incidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform regularly.

Specific Safety Precautions for Use

- Wear appropriate protective gear, including safety glasses and gloves, when handling the product.
- Ensure that the shotgun is unloaded before installing or removing the bushing.
- Avoid using the bushing with damaged or worn shotguns.
- Do not exceed the manufacturer's specifications for the bushing.
- Use caution when working with any tools or equipment during installation.

Instructions for Installation and Usage

1. Preparation

- Ensure that your work area is clean and welllit.
- Gather all necessary tools such as wrenches and screwdrivers.

2. Installation

- Make sure the shotgun is completely unloaded.
- Remove the existing bushing if applicable.
- Align the Clymer Bushing with the barrel of the shotgun.
- Gently insert the bushing into the barrel, ensuring a snug fit.
- Secure the bushing as per the manufacturer's specifications.

3. Usage

- After installation, perform a visual inspection to ensure proper fit and alignment.
- Test the shotgun in a safe environment to confirm that the bushing is functioning correctly.
- Regularly check the bushing for wear and tear, especially after extensive use.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Contact your local waste management authority for guidance on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or assistance regarding the Clymer Shotgun Bronze Bushing, please refer to the contact details provided by the retailer or manufacturer. Ensure you have the product information ready when seeking support.

By following these safety guidelines and instructions, you can ensure a safe and effective experience with the Clymer Shotgun Bronze Bushing. Thank you for your attention to safety.
