

BROWNING HI-POWER EXTENDED SLIDE STOP - BHP EXTENDED SLIDE STOP, CHROME

Operate With Shooting Hand Thumb Without Shifting Your Grip

Replacement for the nubby factory slide release enables you to use the thumb of your shooting hand to release the slide without having to shift your grip on the pistol. Ergonomically angled for natural, positive thumb contact, with enlarged thumb pad that's .110" wide to give you a firm purchase even under stress. Gunsmith installation recommended.

BROWNING HIPOWER EXTENDED SLIDE STOP

Safety Instruction Guide

Introduction

Thank you for purchasing the Browning HiPower Extended Slide Stop. This product is designed to enhance your shooting experience by allowing for easier slide release while maintaining a secure grip on your firearm. It is essential to read and understand these safety instructions to ensure safe and effective use of this product.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep your finger off the trigger until you are ready to shoot.
- Ensure that the firearm is pointed in a safe direction at all times.
- Use the Browning HiPower Extended Slide Stop only with compatible Browning HiPower models.
- Be aware of your surroundings and ensure a safe shooting environment.
- Store firearms and accessories securely and out of reach of children and unauthorized users.
- Regularly inspect your firearm and accessories for wear or damage.

Specific Safety Precautions for Use

- Ensure the firearm is unloaded before installation or adjustment of the slide stop.
- Do not attempt to modify the slide stop or any other firearm component.
- Be cautious of the thumb pad's angle and ensure it is comfortable for your grip.
- Avoid using excessive force when operating the slide stop, as it may lead to malfunction or injury.
- If you experience any difficulty or resistance while using the slide stop, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove the factory slide release from the firearm using appropriate tools.
- Align the Browning HiPower Extended Slide Stop with the mounting hole.
- Securely fasten the slide stop in place, ensuring it is properly positioned.
- Test the installation by manually operating the slide stop to ensure it functions smoothly.

2. Usage:

- To release the slide, use the thumb of your shooting hand to press down on the enlarged thumb pad.
- Maintain a firm grip on the firearm while using the slide stop.
- Practice using the slide stop in a controlled environment to become familiar with its operation.

Disposal Instructions

- Dispose of the Browning HiPower Extended Slide Stop in accordance with local regulations.
- Do not dispose of it in regular household waste. Instead, seek out designated disposal facilities or recycling programs for firearm accessories.

Contact Information for Further Support

For any inquiries, concerns, or to report an unsafe product, please contact your local authorities or a qualified gunsmith. Ensure you have the product information and any relevant details available for assistance.

By following these guidelines, you can ensure the safe and effective use of the Browning HiPower Extended Slide Stop. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important safety instructions.
