Dewey Handgun Cleaning Rod Safety Instruction Guide

Introduction

Thank you for choosing the Dewey Handgun Cleaning Rod. This guide provides important safety information and usage instructions to ensure safe and effective operation of the product. Please read this guide carefully before using the cleaning rod.

General Safety Guidelines

- Ensure that the cleaning rod is used only for its intended purpose, which is cleaning handguns.
- Always handle firearms with care and follow all applicable safety regulations.
- Keep the cleaning rod out of reach of children and unauthorized users.
- Inspect the cleaning rod before each use for any signs of damage or wear.
- Do not use the cleaning rod with firearms that are not compatible with the specified calibers.
- If you notice any unusual behavior during use, stop immediately and inspect the product.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before using the cleaning rod.
- Use the cleaning rod in a welllit and safe environment.
- Avoid applying excessive force when using the cleaning rod to prevent damage to the firearm or the cleaning rod itself.
- Do not use the cleaning rod for purposes other than cleaning; misuse may lead to accidents or injuries.
- Wear protective eyewear when using cleaning solvents or chemicals in conjunction with the cleaning rod.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Gather necessary cleaning supplies, including cleaning patches and solvents.

2. Attaching the Patch Loop:

- Take the universal brass patch loop included with the cleaning rod.
- Screw the patch loop onto the 8/32 female threads of the cleaning rod until secure.

3. Inserting the Cleaning Rod:

- Insert the cleaning rod into the barrel of the handgun, ensuring it fits snugly.
- Do not force the cleaning rod if it does not slide easily; check for obstructions.

4. Cleaning Process:

- Attach a cleaning patch soaked in solvent to the patch loop.
- Gently push the cleaning rod through the barrel, using a backandforth motion to clean the interior.
- Remove the cleaning rod and patch, and inspect for residue.

5. Final Steps:

- After cleaning, ensure that no cleaning patches or materials are left inside the firearm.
- Store the cleaning rod and all cleaning supplies in a safe place, away from children.

Disposal Instructions

- Dispose of used cleaning patches and materials in accordance with local regulations.
- Do not dispose of the cleaning rod in general waste if it is damaged; check local guidelines for proper disposal methods.

Contact Information for Further Support

For questions regarding safety, usage, or product recalls, please refer to the contact information provided on the packaging or visit the manufacturer's website for assistance.

Thank you for using the Dewey Handgun Cleaning Rod. Your safety and satisfaction are our top priorities. Always follow the guidelines outlined in this manual to ensure a safe cleaning experience.
