Safety Instruction Guide for SMALL CALIBER RODS DEWEY 26" SMALL CALIBER ROD

Introduction

Thank you for choosing the SMALL CALIBER RODS DEWEY 26" SMALL CALIBER ROD. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is maintenance and cleaning of .17 and .20 caliber handguns and rifles.
- Always handle the rod with care and keep it out of reach of children and vulnerable individuals.
- Inspect the rod for any signs of damage before each use. Do not use if damaged.
- Store the rod in a safe and dry place, away from direct sunlight and moisture.
- Follow all local laws and regulations regarding the use and maintenance of firearms.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before using the cleaning rod.
- Wear appropriate personal protective equipment, such as safety glasses and gloves, when handling cleaning solvents or chemicals.
- Avoid using excessive force when cleaning to prevent damage to the firearm or cleaning rod.
- Do not leave the cleaning rod unattended while in use.
- If you experience any discomfort or adverse reactions while using the product, discontinue use immediately and seek medical advice if necessary.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is completely unloaded and pointed in a safe direction.
- Gather all necessary cleaning materials, including cleaning solvents, brushes, and patches.

2. Attaching the Brush:

- Select the appropriate Dewey or Outers brush for your caliber.
- Screw the brush onto the female thread (540) of the cleaning rod until secure.

3. Cleaning Process:

- Apply a small amount of cleaning solvent to the brush or directly into the barrel of the firearm.
- Insert the cleaning rod into the barrel gently, ensuring it is aligned correctly.
- Use a backandforth motion to clean the barrel, taking care not to apply excessive force.
- After cleaning, remove the brush and replace it with a brass jag tip for patch cleaning.

4. PostCleaning:

- After cleaning, inspect the barrel to ensure it is free from debris and solvent.
- Store the cleaning rod and all cleaning materials in a secure location.

Disposal Instructions

- Dispose of any cleaning solvents and materials in accordance with local regulations.
- The cleaning rod itself can be disposed of as general waste unless otherwise specified by local waste management guidelines.

Contact Information for Further Support

For any inquiries or concerns regarding the safety and usage of the SMALL CALIBER RODS DEWEY 26" SMALL CALIBER ROD, please refer to the product packaging for contact information or visit the manufacturer's website.

Conclusion

By following these safety instructions and guidelines, you can ensure the safe and effective use of the SMALL CALIBER RODS DEWEY 26" SMALL CALIBER ROD. Always prioritize safety and compliance with local laws when using this product. Thank you for your attention to these important safety measures.
