# Safety Instruction Guide for STAINLESS STEEL RODS DEWEY 36HDS ROD

## Introduction

Thank you for choosing the STAINLESS STEEL RODS DEWEY 36HDS ROD. This guide provides essential safety information and instructions to ensure the safe and effective use of this product. Please read this guide carefully before using the product to understand how to use it safely and effectively.

## General Safety Guidelines

- **Product Safety:**

- Ensure safe use of the stainless steel rods during cleaning and maintenance of firearms.
- Always follow the manufacturer's instructions to avoid risks associated with improper use.

- **Enhanced Recalls:**

- Stay informed about any recall notices that may affect your product.
- If you receive a recall notice, follow the instructions provided for safe return or remedy.

- **Online Shopping:**

- If purchased online, ensure that the seller complies with safety standards and regulations.
- Verify that the product meets EU safety requirements.

- **Special Consumer Focus:**

- Keep the product out of reach of children to prevent accidents.
- Ensure that only individuals who are knowledgeable about firearms handle the cleaning rods.

- **EU Contact Point:**

- For safety inquiries, refer to the manufacturer's contact information provided with the product.

- **Rapid Alerts:**

- Regularly check the EU Safety Gate platform for updates on potential hazards related to this product.

## Specific Safety Precautions for Use

- Always inspect the cleaning rod for damage before use.
- Use the cleaning rod only for its intended purpose: cleaning and maintaining firearms.
- Avoid using excessive force when cleaning to prevent damage to the firearm or the rod.
- Wear safety glasses to protect your eyes from any debris that may be released during cleaning.
- Ensure that the firearm is unloaded and pointed in a safe direction before using the cleaning rod.
- Do not use the cleaning rod if you notice any defects or if it has been damaged.
- Store the cleaning rod in a safe and dry place, away from children and pets.

## Instructions for Installation and Usage

1. **Preparation:**

- Ensure the firearm is unloaded and safe to clean.
- Gather all necessary cleaning supplies, including the stainless steel rod, cleaning patches, and solvent.

## **2. Using the Cleaning Rod:**

- Attach the appropriate patch loop to the end of the cleaning rod.
- Select the correct caliber cleaning patch for your firearm.
- Apply a suitable solvent to the cleaning patch.

## **3. Cleaning Process:**

- Insert the cleaning rod into the barrel from the chamber end, if possible.
- Gently push the cleaning rod through the barrel and pull it back out.
- Repeat the process until the barrel is clean, using fresh patches as needed.

## **4. PostCleaning:**

- After cleaning, inspect the barrel and rod for any remaining debris.
- Store the cleaning rod and other supplies in a safe location.

## **Disposal Instructions**

- Dispose of used cleaning patches and solvents in accordance with local regulations.
- Do not dispose of the cleaning rod in regular household waste if it is damaged. Instead, follow local guidelines for the disposal of metal products.
- Ensure that all cleaning supplies are stored safely until disposal.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the STAINLESS STEEL RODS DEWEY 36HDS ROD, please refer to the manufacturer's contact information provided with the product.

Thank you for prioritizing safety and following these guidelines for the effective use of your cleaning rod.
