# **Safety Instruction Guide for BRASS RODS DEWEY .30 CAL. BRASS ROD**

## **Introduction**

Thank you for choosing the BRASS RODS DEWEY .30 CAL. BRASS ROD. This product is designed for cleaning rifle barrels without damaging the delicate rifling. To ensure your safety and the effective use of this product, please read this safety instruction guide carefully.

## **General Safety Guidelines**

- Ensure that you are familiar with the safety features of your cleaning rod before use.
- Always use the cleaning rod in a wellventilated area.
- Keep the product away from children and vulnerable individuals.
- Inspect the cleaning rod before each use for any signs of damage or wear.
- Use the cleaning rod only for its intended purpose as specified in this guide.
- In case of any accidents or unsafe conditions, report them to the appropriate authorities.

## **Specific Safety Precautions for Use**

- Use only the recommended caliberspecific cleaning accessories with the BRASS ROD.
- Do not apply excessive force when using the rod, as this may damage the rod or the firearm.
- Always point the firearm in a safe direction when cleaning.
- Wear safety glasses while cleaning to protect your eyes from potential debris.
- Avoid using the cleaning rod if you are under the influence of drugs or alcohol.

## **Instructions for Installation and Usage**

### **1. Preparation**

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including patches and cleaning solvents.

### **2. Attaching the Cleaning Rod**

- The BRASS ROD has an 832 female thread. Attach the caliberspecific cleaning accessory securely to the rod.
- Ensure that the handle is properly assembled and that the roller bearings are functioning smoothly.

### **3. Cleaning Procedure**

- Insert the brass rod into the barrel of the firearm gently.
- Pull the rod through the barrel slowly and steadily, using a backandforth motion as necessary.
- Avoid forcing the rod, as this can cause damage to both the rod and the firearm.
- Repeat the process until the barrel is clean, changing patches as needed.

### **4. PostCleaning**

- After cleaning, detach the accessory from the brass rod.
- Wipe down the brass rod with a clean, dry cloth to remove any residue.
- Store the cleaning rod in a dry place, away from moisture and heat.

## **Disposal Instructions**

- Dispose of any cleaning materials, such as patches and solvents, in accordance with local regulations.
- The BRASS ROD itself can be disposed of as general waste. However, check local regulations for specific disposal instructions.

## **Contact Information for Further Support**

For any safety inquiries or further support regarding the BRASS RODS DEWEY .30 CAL. BRASS ROD, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

By following these guidelines, you can ensure a safe and effective cleaning process for your firearm. Thank you for your attention to safety!
