Safety Instruction Guide for COATED ROD ADAPTERS DEWEY ADAPTER, 7A FITS .17 CALIBER RODS

Introduction

Thank you for choosing the COATED ROD ADAPTERS DEWEY ADAPTER, specifically designed to enhance the functionality of your cleaning rods. This guide provides essential safety instructions to ensure the safe and effective use of the product in accordance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always read and understand the instructions before use.
- Ensure that the product is compatible with your cleaning rod and accessories.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product before each use for any signs of damage or wear.
- Do not use the product for any purpose other than its intended use.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Use the adapters only with compatible rods and accessories to prevent accidents.
- Ensure that all connections are secure before using the cleaning rod.
- Avoid excessive force when attaching or detaching accessories to prevent breakage.
- Do not attempt to modify the product in any way, as this may compromise safety.
- Wear protective eyewear when using cleaning rods and accessories to protect against debris.

Instructions for Installation and Usage

1. Compatibility Check

- Confirm that the adapter is suitable for your cleaning rod and accessories.

2. Installation

- For 17A Adapter:
 - Screw the 540 male end into the .17 caliber Dewey rod.
 - Attach 832 rimfire accessories to the female end.
- For SMBA and LGBA Adapters:
 - Attach the male end of the adapter to the Coated Rod.
 - Connect standard 832 accessories to the female thread.
- For LGBP Adapter:
 - Connect the female end to the Dewey .50 BMG or Large Bore rod.
 - Attach standard 1032 blackpowder accessories.
- For SBA Adapter:
 - Connect the female ends to the 30C series Coated Rod.
 - Attach 5/16"27 accessories.
- For LGPH Adapter:
 - Connect to the .30 caliber ParkerHale rod.
 - Attach 832 brushes.
- For 22A Adapter:
 - Connect the male/male ends to adapt civilian rods to 836 Dewey coated rod jags.

- For 22SA Adapter:
 - Connect the male end to the 832 rod and female end to 5/16"27 bore mops and brushes.
- For 22M Adapter:
 - Connect the male end to the 832 female rod and the female end to 836 military brushes.
- For 30A Adapter:
 - Convert 832 female rods to accept Dewey 1228 female coated rod jags for .270 caliber and larger.

3. Usage

- Use the cleaning rod and adapter as per the manufacturer's instructions.
- Apply a gentle and consistent motion when cleaning to avoid damaging the rod or adapter.
- After use, detach the accessories and clean the adapters to maintain their integrity.

Disposal Instructions

- Dispose of the product responsibly in accordance with local regulations.
- Do not dispose of the product in household waste.
- Check for recycling programs in your area that accept metal components.
