

BRASS JAGS - DEWEY 38JM FITS .38 CAL.-9MM

[Gun Cleaning & Chemicals](#) > [Cleaning Rods & Accessories](#) > [Cleaning Rod Jags](#)

Best Quality, Excellent Design

Extra-long jag with raised, ribbed segments to press more of a patch's surface against the bore to absorb more fouling. Fit Dewey Stainless, Rig, and Hoppe's rods. Require adapters when used with Dewey Coated Rods. 17 and 20 caliber male threaded jags do not need adapters to fit into the 17 and 20 caliber coated rods.

Safety Instruction Guide for BRASS JAGS DEWEY 38JM FITS .38 CAL.9MM

Introduction

Thank you for choosing the BRASS JAGS DEWEY 38JM. This product is designed to enhance your cleaning experience by providing an effective way to clean your firearm. It is important to follow safety guidelines to ensure proper usage and to avoid any potential hazards. This guide outlines essential safety instructions, usage precautions, and disposal methods in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure the product is suitable for your firearm caliber (38 Caliber, 357 Caliber, 9mm).
- Always use the jag in conjunction with appropriate cleaning rods.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage before each use.
- Report any unsafe experiences or product defects to the relevant authorities.

Specific Safety Precautions for Use

- Do not use the jag with Dewey Coated Rods without appropriate adapters.
- Ensure the cleaning rod is securely attached to the jag before use to prevent injury.
- Avoid using excessive force when cleaning to prevent damage to the firearm or the jag.
- Always clean the firearm in a wellventilated area.
- Wear safety goggles to protect your eyes from debris during cleaning.

Instructions for Installation and Usage

1. Selecting the Right Rod:

- Use Dewey Stainless, Rig, or Hoppe's rods for compatibility.
- Ensure that the rod is compatible with the jag's male thread specifications:
 - 540 for .17 and .20 caliber
 - 832 male above .20 caliber.

2. Attaching the Jag:

- Screw the jag onto the cleaning rod until it is securely fastened.
- Ensure the jag is properly aligned and does not wobble.

3. Using the Jag:

- Insert a cleaning patch onto the jag's raised, ribbed segments.
- Gently push the jag into the bore of the firearm, ensuring even pressure.
- Pull the jag back out of the bore slowly to avoid any splatter of cleaning solvent or debris.
- Repeat the process as necessary to achieve a clean bore.

4. PostUse Cleaning:

- After use, clean the jag with a suitable solvent to remove any residue.
- Dry the jag thoroughly before storing it to prevent corrosion.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding metal waste.
- Do not throw the product in regular household waste.
- If the product is damaged or no longer usable, consider recycling options if available.

Contact Information for Further Support

For any inquiries or concerns regarding the BRASS JAGS DEWEY 38JM, please refer to the product packaging or visit the manufacturer's website for further assistance.

Thank you for following these safety guidelines and instructions. Your adherence to these practices will help ensure a safe and effective cleaning experience with your BRASS JAGS DEWEY 38JM.
