# Safety Instruction Guide for .17 & .20 Caliber Bore Brush

## Introduction

Thank you for choosing the .17 & .20 Caliber Bore Brush by Dewey. This product is designed to help you maintain the cleanliness and performance of your firearms. To ensure safe and effective use, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always handle firearms with care and follow all safety protocols when cleaning or maintaining them.
- Ensure that the firearm is unloaded before using the bore brush.
- Store the bore brush in a safe place, out of reach of children and vulnerable individuals.
- Regularly inspect the bore brush for any signs of wear or damage before each use.
- If you notice any irregularities, discontinue use and replace the bore brush.

## Specific Safety Precautions for Use

- Use the bore brush only with compatible firearms (.177 caliber airguns and .17 caliber rimfire/centerfire guns for the .17 brush; .204 Ruger and .20 caliber wildcats for the .20 brush).
- Avoid excessive force while using the brush to prevent damage to the firearm's bore.
- Do not use the bore brush in any manner that is not recommended by the manufacturer.
- Wear safety glasses to protect your eyes from debris or cleaning solvents.
- Ensure proper ventilation when using cleaning solvents or oils.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded and pointed in a safe direction.
- Gather all necessary materials, including the bore brush, cleaning rod, and any cleaning solvents.

### 2. Installation:

- Attach the bore brush to the cleaning rod by screwing it onto the 540 male thread.
- Ensure it is securely fastened before use.

### 3. Usage:

- Insert the bore brush into the firearm's bore gently.
- Move the brush back and forth in a smooth motion to clean the bore, being careful not to apply excessive pressure.
- After cleaning, remove the bore brush and inspect for any debris or fouling.
- Clean the bore with a suitable solvent if necessary.

### 4. PostUse:

- Clean the bore brush after each use to maintain its effectiveness.
- Store the bore brush in a dry and safe location.

## **Disposal Instructions**

- Dispose of the bore brush in accordance with local regulations.
- Do not dispose of the bore brush in regular household waste if it is damaged or worn.
- Consider recycling options where available.

## **Contact Information for Further Support**

For any questions or concerns regarding the use or safety of the .17 & .20 Caliber Bore Brush, please refer to the manufacturer's contact details provided on the product packaging.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective cleaning experience with your .17 & .20 Caliber Bore Brush. Always prioritize safety and proper handling of firearms. Thank you for your attention to these guidelines.
