## Match-Grad Barrel Blanks From U.S.'s Oldest Barrel Maker

Famous, Douglas Double XX, premium-grade barrels are an excellent choice for any rebarrelling project. Proven accuracy and finest care in manufacture. Button rifled for unequalled smoothness with tolerances for groove diameter and straightness held to .0005". .22 through .338 barrels feature 6- grooves while the .358, .375 and .458 barrels have 8. No straightening is done and all barrels are stress relieved.

# **Safety Instruction Guide for CONTOUR #1 DOUGLAS .224 114 TWIST CM #1 CONTOUR ULTRA RIFLED BARREL**

## **Introduction**

Thank you for choosing the CONTOUR #1 DOUGLAS .224 114 TWIST CM #1 CONTOUR ULTRA RIFLED BARREL. This guide provides essential safety information to ensure the safe use and handling of this product. Please read all instructions carefully before using the barrel.

## **General Safety Guidelines**

- Always handle the barrel with care to prevent injury.
- Ensure that the barrel is used only for its intended purpose.
- Keep the barrel out of reach of children and unauthorized persons.
- Use appropriate protective equipment, including safety glasses and gloves, when handling the barrel.
- Regularly inspect the barrel for signs of wear or damage before use.
- Report any unsafe conditions or incidents related to the barrel to the appropriate authorities.
- Stay informed about recall updates and safety alerts related to the product through the EU Safety Gate platform.

## **Specific Safety Precautions for Use**

- Ensure that all tools and equipment used in conjunction with the barrel are in good working condition.
- Use the barrel only with compatible firearms that meet the specifications outlined in the product details.
- Avoid using the barrel in conditions that may compromise its integrity, such as extreme temperatures or exposure to moisture.
- Do not modify the barrel in any way, as this may lead to unsafe conditions and void any warranties.
- Follow all local laws and regulations regarding the use and ownership of firearm components.

## **Instructions for Installation and Usage**

### **1. Preparation for Installation**

- Gather all necessary tools and equipment, including a torque wrench, barrel vise, and appropriate cleaning supplies.
- Ensure that you are working in a wellventilated area and that all safety precautions are in place.

### **2. Installation Steps**

- Ensure the firearm is unloaded and the action is open.
- Secure the firearm in a barrel vise to prevent movement during installation.
- Carefully remove the existing barrel, following the manufacturer's instructions for your specific firearm.
- Clean the receiver threads and ensure they are free from debris.
- Align the new barrel with the receiver and handtighten it into place.
- Use a torque wrench to tighten the barrel to the manufacturer's specified torque settings.
- Inspect the installation for any gaps or misalignments.

### **3. Usage Guidelines**

- Before firing, check the barrel for proper alignment and secure attachment to the firearm.

- Use only ammunition that is compatible with the caliber specifications of the barrel.
- Follow all standard safety procedures for handling and firing firearms.
- After use, clean the barrel according to the manufacturer's recommendations to maintain performance and longevity.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the barrel becomes damaged or is no longer in use, contact your local waste disposal authority for guidance on safe disposal methods.
- Do not dispose of the barrel in regular household waste; it may contain materials that require special handling.

## **Contact Information for Further Support**

For any questions or concerns regarding the CONTOUR #1 DOUGLAS .224 114 TWIST CM #1 CONTOUR ULTRA RIFLED BARREL, please refer to the product documentation or contact the manufacturer directly. Ensure that you have the product information available when seeking assistance.

By following these safety instructions, you can ensure a safe and enjoyable experience with your CONTOUR #1 DOUGLAS .224 114 TWIST CM #1 CONTOUR ULTRA RIFLED BARREL. Thank you for your attention to safety.
