ULTRA RIFLED #3 CONTOUR BARREL BLANKS

Safety Instruction Guide

Introduction

Thank you for choosing the ULTRA RIFLED #3 CONTOUR BARREL BLANKS. This safety instruction guide provides essential information to ensure safe handling, installation, and usage of your barrel. Please read this guide carefully to understand the necessary precautions and procedures.

General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's specifications and guidelines.
- Always wear appropriate safety gear, including eye protection, when handling firearms and accessories.
- Store the barrel in a secure and dry location, away from children and unauthorized users.
- Regularly inspect the barrel for any signs of damage or wear and replace if necessary.
- Report any unsafe products or accidents to the relevant authorities as soon as possible.
- Stay informed about any product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or handling the barrel.
- Avoid using the barrel with ammunition that exceeds the specified caliber.
- Do not attempt to modify or alter the barrel in any way, as this may compromise safety and performance.
- Ensure that the barrel is properly secured to the firearm before use to prevent accidents.
- Only use the barrel in a safe and controlled environment, following all local laws and regulations regarding firearms.
- Keep the barrel clean and wellmaintained to ensure optimal performance and safety.

Instructions for Installation and Usage

1. Installation Instructions:

- Confirm that you have the correct barrel for your firearm by checking the specifications.
- Ensure that you have the necessary tools for installation, including a torque wrench and appropriate screwdrivers.
- Follow these steps for installation:
 - a. Remove the existing barrel from the firearm, ensuring the firearm is unloaded.
 - b. Clean the receiver threads to remove any debris or residue.
 - c. Carefully align the new barrel with the receiver and handtighten it.
 - d. Use a torque wrench to tighten the barrel according to the manufacturer's specifications.
 - e. Check for proper alignment and secure fit before proceeding.

2. Usage Instructions:

- Before firing, check that the barrel is securely attached and that there are no obstructions.
- Use only compatible ammunition as specified by the manufacturer.
- Fire in a safe direction and ensure that the area is clear of bystanders.
- After use, clean the barrel according to the manufacturer's guidelines to maintain performance.

Disposal Instructions

- Dispose of the barrel in accordance with local regulations regarding hazardous materials and firearms.
- If the barrel is damaged or no longer usable, contact a qualified professional for safe disposal methods.

- Never dispose of firearms or firearm components in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product specifications, please refer to the manufacturer's contact information provided with the product. Always seek assistance from qualified professionals if you have any doubts or questions.

By following these guidelines, you can help ensure a safe and enjoyable experience with your ULTRA RIFLED #3 CONTOUR BARREL BLANKS. Thank you for your attention to safety and compliance with the EU General Product Safety Regulation.
