Safety Instruction Guide for BROACH SET FRIEDR. DICK GMBH

Introduction

Thank you for choosing the BROACH SET FRIEDR. DICK GMBH. This guide provides important safety instructions to ensure the safe use of this product. It is essential to read and understand these instructions before using the broach set.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose, which is to remove burrs from inside pin holes.
- Always inspect the broach set for any signs of damage before use. Do not use if damaged.
- Keep the broach set out of reach of children and vulnerable individuals to prevent accidents.
- Use personal protective equipment (PPE) such as gloves and safety goggles when handling the broach set.
- Store the broach set in a dry, secure place to prevent unauthorized access and damage.
- Be aware of your surroundings and ensure that the work area is clean and free from hazards.

Specific Safety Precautions for Use

- Avoid using excessive force when using the broach set to prevent injury or damage to the tool.
- Do not use the broach set on materials that are not specified for its use.
- Ensure that the workpiece is securely clamped before using the broach set to prevent movement.
- Always use the broach set at the recommended speed to avoid overheating and tool failure.
- If you experience any difficulty or resistance while using the broach set, stop and inspect the tool and workpiece before continuing.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and materials.
- Ensure that the work area is welllit and organized.

2. Installation:

- Attach the appropriate broach to the handle securely.
- Make sure the broach is properly aligned with the pin hole.

3. Usage:

- Position the broach at the entrance of the pin hole.
- Apply gentle, steady pressure while turning the handle in a clockwise direction.
- Remove any chips or debris from the work area periodically to maintain a clear view and safe working conditions.
- After use, carefully remove the broach from the pin hole and inspect it for wear or damage.

4. Postusage:

- Clean the broach set after each use to remove any residual material.
- Store the broach set in its original packaging or a designated storage case.

Disposal Instructions

- Dispose of the broach set in accordance with local regulations for tool disposal.
- If the broach set is damaged or no longer usable, consider recycling the materials if possible.
- Do not dispose of the broach set in regular household waste.

Contact Information for Further Support

For safety inquiries or further support regarding the BROACH SET FRIEDR. DICK GMBH, please refer to the manufacturer's contact details provided with the product packaging.

Reporting Unsafe Products

If you encounter any unsafe products or experience accidents while using the broach set, it is important to report these incidents to the relevant authorities. Check for recall updates and safety notices on the EU's Safety Gate platform to stay informed about product safety.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
