

GERMAN MADE SPECIAL GUNSMITHING PLIERS - FRIEDR. DICK GMBH GERMAN MADE SPECIAL GUNSMITH PLIERS NO. 134 FLAT NOSE

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Pliers & Tweezers](#)

Super Strength Box Joints For Maximum Precision

Perhaps no other tool on the bench is required to do more jobs than the Gunsmith's pliers - everything from getting up inside a small action and inserting a spring the size of a small hair, to holding red-hot rods while being formed. Because of the extremely rough, to extremely delicate, work done with pliers, just being tools isn't enough; they must be instruments. These pliers are manufactured by a company that has long specialized in QUALITY - respected for generations. They are of strong box construction. This gives the pliers greater strength and prevents loosening of the joints when doing twisting and turning operations. Finish: Polished steel jaws and joints. Each tool is guaranteed for quality and service. The manufacturer's slogan since 1824 has always been, "First Quality and Then Price". This manufacturing policy is of greater importance to the craftsman today than ever before.

Safety Instruction Guide for GERMAN MADE SPECIAL GUNSMITHING PLIERS

Introduction

Thank you for choosing the GERMAN MADE SPECIAL GUNSMITHING PLIERS by FRIEDR. DICK GMBH. This guide provides essential safety instructions to ensure safe and effective use of the pliers. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure the pliers are used for their intended purpose only.
- Keep the pliers out of reach of children and vulnerable individuals.
- Inspect the pliers before each use for signs of damage or wear.
- Do not use the pliers if they are damaged or malfunctioning.
- Store the pliers in a dry place to prevent rust and corrosion.
- Follow all local regulations regarding tool safety and usage.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE), such as safety glasses, when using the pliers.
- Use the pliers on stable surfaces to prevent accidents.
- Avoid using excessive force; the pliers are designed for precision tasks.
- Be cautious when handling hot materials; use protective gloves if necessary.
- Do not use the pliers to cut or grip materials they are not designed for.
- Keep hands and fingers clear of the pliers' jaws while in use.

Instructions for Installation and Usage

1. Preparation

- Ensure the work area is clean and welllit.
- Gather all necessary materials and tools before starting.

2. Using the Pliers

- Hold the pliers firmly by the handles.
- Position the jaws of the pliers around the object to be manipulated.
- Squeeze the handles gently to grasp or manipulate the object.
- For delicate tasks, apply minimal pressure to avoid damaging the object.

3. Maintenance

- Clean the pliers after each use with a soft cloth to remove debris.
- Lubricate the joints periodically to ensure smooth operation.
- Store the pliers in a protective case or pouch when not in use.

Disposal Instructions

- Dispose of the pliers in accordance with local regulations.
- If the pliers are damaged beyond repair, consider recycling the metal components where possible.

Contact Information for Further Support

For any safety inquiries or concerns regarding the GERMAN MADE SPECIAL GUNSMITHING PLIERS, please refer to the manufacturer's contact details provided with the product packaging.

Thank you for your attention to these safety guidelines. By following these instructions, you can ensure a safe and effective experience with your GERMAN MADE SPECIAL GUNSMITHING PLIERS.
