

# DDM4V7 PRO 5.56 NATO 18IN BBL MAG - DDM4 V7 PRO 5.56X45 NATO 18" BBL (1)32RD MAG BLACK

[Firearms](#) > [Rifles](#) > [Semi-Auto](#)

The DDM4 V7 PRO AR15 style firearm is for competitors looking to dominate podiums in today's popular multi-gun matches. Built around our 18 inch Cold Hammer Forged barrel, this platform delivers the speed, controllability, and precision required to engage the most difficult multi-gun stages. The V7 PRO comes standard with the MFR 15.0 M-LOK rail, which offers incredible weight savings as well as superior cooling, ergonomics, and modularity while maintaining the strength and durability expected from Daniel Defense. An uninterrupted Picatinny rail on top and M-LOK attachment points ensure plenty of real estate for optics and accessories and allow for the maximum sight radius for accurate shooting with rail mounted iron sights. Its muzzle device, the Muzzle Climb Mitigator, redirects propellant gasses through calibrated ports, countering both recoil and muzzle climb. A Geissele Automatics Super Dynamic 3 Gun Trigger delivers rapid hits on target with its light, short pull and quick reset. Combined with the softened recoil impulse of a rifle-length gas system, this allows for shorter split times, more precise follow-up shots, and reduced fatigue. The independently ambi GRIP-N-RIP Charging Handle accommodates left- and right-handed shooters. This rifle also comes with the ergonomic Daniel Defense Buttstock and Pistol Grip. # Safety Instruction Guide for DANIEL DEFENSE DDM4V7 PRO 5.56 NATO

## Introduction

Thank you for choosing the DANIEL DEFENSE DDM4V7 PRO, a highperformance AR15 style firearm designed for competitive shooting. This guide provides essential safety instructions to ensure the safe use, installation, and disposal of your firearm, in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always treat the firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Ensure that the firearm is securely stored when not in use.
- Use only the recommended ammunition for your firearm.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not modify the firearm in any way that could affect its safety or performance.
- Keep the firearm clean and wellmaintained according to the manufacturer's instructions.
- Ensure that all users are trained in the safe handling and operation of firearms.

## Specific Safety Precautions for Use

- **Age Restrictions:** This firearm should only be used by individuals aged 18 years and older.
- **Vulnerable Groups:** Extra caution should be taken around children and inexperienced users. Always supervise them when in the vicinity of the firearm.
- **Handling:** Always keep your finger off the trigger until you are ready to shoot.
- **Loading and Unloading:** Follow the manufacturer's instructions carefully when loading and unloading the firearm.
- **Malfunctions:** In case of a malfunction, follow the manufacturer's guidelines for clearing jams or other issues. Do not attempt to repair the firearm yourself unless you are qualified.
- **Transportation:** When transporting the firearm, ensure it is unloaded and secured in a case.

## Instructions for Installation and Usage

- **Installation:**

- Ensure the firearm is completely unloaded before installation.
- Follow the manufacturer's instructions for any accessories or modifications.
- Ensure that all components are securely fastened before use.

- **Usage:**

- Before firing, confirm that the area is clear of people and obstacles.
- Load the firearm only when you are ready to shoot.
- Aim at your target and make sure of your backstop.
- Fire only when you are sure it is safe to do so.
- After shooting, always check that the firearm is unloaded before handling or storing it.

## Disposal Instructions

- Dispose of the firearm in accordance with local laws and regulations.
- If you no longer wish to keep the firearm, consider contacting a licensed dealer or authority for safe

- disposal options.
- Ensure that all ammunition is stored safely and disposed of properly.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the DANIEL DEFENSE DDM4V7 PRO, please consult the manufacturer or authorized dealers for assistance. Always ensure you are following the most current safety guidelines and regulations.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your DANIEL DEFENSE DDM4V7 PRO firearm. Always prioritize safety and responsible usage.
