

AR OPTICS 1-4X24MM SFP RIFLE SCOPE - 1-4X24MM SFP DROP ZONE-223 RETICLE BLACK

[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

The feature-packed AR Optics 1-4x24 gives you the features you need to outfit your AR with a capable and fast-deploying optic.

Available in the second focal plane (SFP) Drop Zone-223 with holds out to 600 yards. Exposed turrets allow you to dial for windage and elevation adjustments quickly and accurately, and the Throw Down PCL makes magnification changes almost instant. The IPX7 waterproof rating and fully multi-coated optics make this an outstanding value, and its compact size make it perfect use with offset irons or red dot sight. Fully Multi Coated - Multiple layers of anti-reflective coating on all air-to-glass surfaces deliver bright, high-contrast images. Clarity - Fully-Multi Coated Optics deliver crisp images in every lighting condition. Features a Throw Down PCL power change lever that you can set to two different heights, making these scopes as customizable as the rifles you mount them on.

Safety Instruction Guide for AR OPTICS 14X24MM SFP RIFLE SCOPE

Introduction

Thank you for choosing the AR OPTICS 14X24MM SFP Rifle Scope. This guide provides essential safety information and instructions to ensure the safe and effective use of your riflescope. Please read and follow these instructions carefully to maximize your safety and the performance of the product.

General Safety Guidelines

- **Product Safety:** This riflescope is designed for safe use when following the instructions provided. Always ensure that you are familiar with the product before use.
- **Enhanced Recalls:** In the event of a safety recall, you will be notified through standardized notices. Ensure you stay updated on any recalls that may affect your product.
- **Online Shopping:** If purchased online, the same safety protections apply as if purchased in a physical store. Verify that the seller complies with safety regulations.
- **Special Consumer Focus:** Extra care is advised when using this product around vulnerable groups, including children. Ensure that children do not have access to the riflescope.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point for assistance.
- **Rapid Alerts:** Stay informed about product safety updates through the EU's Safety Gate system.

Specific Safety Precautions for Use

- **Handling:** Always handle the riflescope with care to avoid damage. Do not drop or expose it to extreme conditions.
- **Mounting:** Ensure the riflescope is securely mounted on the rifle to prevent accidents during use.
- **Eye Protection:** Always wear appropriate eye protection when using firearms equipped with this riflescope.
- **Environment:** Avoid using the riflescope in environments that may cause it to become damaged, such as extreme temperatures, moisture, or dust.
- **Children:** Keep the riflescope out of reach of children and educate them about the dangers of firearms.
- **Training:** Ensure that all users are trained and knowledgeable about the safe handling and operation of firearms before using this riflescope.

Instructions for Installation and Usage

1. Installation:

- Select a suitable rifle that is compatible with the AR OPTICS 14X24MM SFP Rifle Scope.
- Securely mount the riflescope to the rifle using the provided mounting rings or bases. Ensure that it is tightly fitted to avoid movement during use.
- Adjust the eye relief to ensure a comfortable and safe viewing position.

2. Usage:

- Before using the riflescope, ensure that the rifle is unloaded and pointed in a safe direction.
- Adjust the turrets for windage and elevation as needed for your shooting conditions.
- Use the Throw Down PCL to change magnification smoothly and quickly.
- Always check your target and surroundings before firing.

3. Maintenance:

- Regularly clean the lenses with a soft, lintfree cloth to maintain clarity.
- Store the riflescope in a dry and safe place when not in use to prevent damage.

Disposal Instructions

- Dispose of the product in accordance with local regulations. Do not dispose of the riflescope in regular household waste.
- If the product is no longer usable, consider recycling components where possible.

Contact Information for Further Support

For any questions or concerns regarding the AR OPTICS 14X24MM SFP Rifle Scope, please refer to the appropriate customer support channels provided by the manufacturer. Ensure you have the model number and any relevant purchase information available for assistance.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your AR OPTICS 14X24MM SFP Rifle Scope. Thank you for your attention to safety.
