

# BREN 2 MS 5.56X45 NATO SEMI-AUTO HANDGUN - BREN 2 MS 5.56X45 NATO 14" BBL (2)30RD MAGS BLACK

[Firearms](#) > [Handguns](#) > [Semi-Auto](#)

The next generation of the Bren, the Bren 2 Ms makes first landfall in the US in pistol form with multiple barrel lengths and two chamberings. Whereas the 805 Bren was designed to a specific set of requirements set out by the Czech military, the Bren 2 is a clean-sheet design. With a bevy of changes, the most noticeable is sure to be the strict weight-loss regimen that the Bren 2 has undergone. With a trimmed-down aluminum receiver and a lower made from carbon fiber-reinforced polymer, the result is a robust but substantially lighter gun. Gone is the reciprocating charging handle, replaced with one that stays stowed in the forward position until it is needed. Swappable from side to side, it does double duty as a forward assist. Also added is an AR-style bolt catch/release system that is mirrored on both sides of the firearm, as well as a catch/release nestled into the front of the trigger guard. The magazine release and safety are also ambidextrous and located in very familiar locations for anyone versed in the AR platform. Chambered in 5.56 and 7.62×39, each is available in several barrel lengths. AR-15 style magazines are used for 5.56 variants, whereas in 7.62 the factory's magazines are used to ensure last round hold-open and consistent feeding. All variants are swappable to different barrel lengths and chamberings and also feature a modular forend that can be swapped to different lengths. The next generation of the Bren, the Bren 2 Ms makes first landfall in the US in pistol form with multiple barrel lengths and two chamberings. ## Safety Instructions

### Introduction

Thank you for choosing the BREN 2 MS 5.56X45 NATO SemiAuto Handgun. This manual provides essential safety information and guidelines to ensure safe and responsible use of your firearm. Please read this guide thoroughly before using the product.

### General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your target and what is beyond it.
- Store the firearm securely and out of reach of children and unauthorized users.
- Regularly inspect your firearm for any signs of wear or damage.
- Always use the correct ammunition specified for your firearm.
- Follow all local laws and regulations regarding firearm ownership and use.

### Specific Safety Precautions for Use

- Ensure that the safety is engaged until you are ready to fire.
- Use proper eye and ear protection while shooting.
- Do not use the firearm if you are under the influence of drugs or alcohol.
- Avoid shooting in areas where there may be people or property at risk.
- Be cautious of environmental conditions, such as wind and rain, that may affect shooting accuracy and safety.
- If a round does not fire, wait at least 30 seconds before attempting to remove it.
- Do not modify or alter the firearm in any way that may affect its safety or performance.

### Instructions for Installation and Usage

#### 1. Unpacking the Firearm

- Carefully remove the firearm from its packaging.
- Check that all included items, such as magazines and accessories, are present.

#### 2. Loading the Firearm

- Ensure the firearm is pointed in a safe direction.
- Insert the magazine into the magazine well until it clicks into place.
- Pull the charging handle to the rear and release it to chamber a round.

#### 3. Firing the Firearm

- Ensure the safety is in the "fire" position.
- Aim at the target and gently squeeze the trigger to fire.
- After firing, keep the firearm pointed downrange and wait for a few seconds before checking the chamber.

#### 4. Clearing the Firearm

- Point the firearm in a safe direction.
- Engage the safety.
- Remove the magazine and pull the charging handle to clear any chambered round.

## 5. Maintenance

- Clean the firearm regularly following the manufacturer's guidelines.
- Inspect the firearm for any signs of damage or wear.
- Store the firearm in a cool, dry place.

## Disposal Instructions

- Follow local regulations for the disposal of firearms and ammunition.
- If the firearm is no longer usable, consult with a licensed firearms dealer for safe disposal options.

## Contact Information for Further Support

For any questions or concerns regarding the BREN 2 MS 5.56X45 NATO SemiAuto Handgun, please refer to the manufacturer or authorized dealer for assistance.

## Conclusion

The BREN 2 MS 5.56X45 NATO SemiAuto Handgun is a reliable firearm designed for performance and safety. By following these guidelines and safety precautions, you can ensure a responsible and enjoyable shooting experience. Always prioritize safety and stay informed about best practices for firearm use.
