

# BC Walnut Wood Stain 3oz - BIRCHWOOD CASEY BC WALNUT WOOD STAIN 3OZ

[Gun Cleaning & Chemicals](#) > [Oils & Lubricants](#) > [Lubricant & Protectant Oils](#)

Give your stocks the walnut stain treatment with the Birchwood Casey 3oz Walnut Stain Bottle. This walnut stain from Birchwood Casey features a color intensity that is easily controlled by adding water to concentrate or using full strength for light colored woods such as birch. The Birchwood Casey Water Base Walnut Stain is a true, brown-walnut color for the traditional look that is also sun-fast, true-to-color and non-bleeding.

# Safety Instruction Guide for BC Walnut Wood Stain 3oz

## Introduction

Thank you for choosing Birchwood Casey BC Walnut Wood Stain. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read all instructions carefully before use.

## General Safety Guidelines

- Always use the product in a wellventilated area to avoid inhaling fumes.
- Keep the product out of reach of children and pets to prevent accidental ingestion or contact.
- Wear appropriate personal protective equipment (PPE), including gloves and safety goggles, to prevent skin and eye contact.
- Do not use the product near open flames or sources of ignition, as it is flammable.
- Follow all local regulations regarding the use and disposal of wood stains and chemicals.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - This product may cause skin irritation. Avoid direct contact with skin.
  - Inhalation of vapors may cause respiratory irritation. Ensure adequate ventilation when using.
  - If swallowed, do not induce vomiting. Seek medical attention immediately.
- **Avoiding Hazards:**
  - Always read the label and safety data sheet (SDS) before use.
  - Do not mix with other chemicals unless specified in the instructions.
  - Store the product in its original container, tightly closed, and in a cool, dry place.

## Instructions for Installation and Usage

- **Preparation:**
  - Ensure the surface to be stained is clean, dry, and free of any previous finishes.
  - Shake the stain bottle well before use to ensure even color distribution.
- **Application:**
  - Use a clean brush, cloth, or sponge to apply the stain evenly on the wood surface.
  - For lighter color effects, dilute the stain with water as needed. Test on a small area first.
  - Allow the stain to penetrate for a few minutes before wiping off excess with a clean cloth.
- **Drying:**
  - Allow the stained surface to dry completely before applying any additional coats or finishes. Drying time may vary based on environmental conditions.
- **CleanUp:**
  - Clean tools and brushes immediately after use with soap and water. Dispose of any rags or materials used in accordance with local regulations.

## Disposal Instructions

- Dispose of unused or excess product according to local hazardous waste regulations.
- Do not pour leftover stain down the drain or into the environment.
- Ensure that empty containers are recycled or disposed of properly.

## **Contact Information for Further Support**

For any safety inquiries or productrelated questions, please contact the manufacturer or your local distributor.

Thank you for your attention to these safety instructions. Enjoy your woodworking projects with Birchwood Casey BC Walnut Wood Stain!
