S&W Revolver Fiber Optic Front Sight Safety Instruction Guide

Introduction

Thank you for choosing the S&W Revolver Fiber Optic Front Sight by EGW. This guide provides important safety information, installation instructions, and tips for proper usage to ensure a safe and enjoyable experience with your product. Please read this guide thoroughly before use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a front sight for K, L, and N frame Smith & Wesson revolvers.
- Always handle firearms safely. Follow all local laws and regulations regarding firearm safety and usage.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the front sight for any signs of wear or damage before each use.
- If you notice any defects or issues, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or adjusting the front sight.
- Use caution when handling tools during installation to avoid injury.
- Be aware of your surroundings and ensure that no one is in the line of fire when using the firearm.
- Do not modify the front sight or attempt to use it in a manner not specified in this guide.
- If you are unfamiliar with firearm maintenance or installation, seek assistance from a qualified gunsmith.

Instructions for Installation and Usage

Installation Instructions

Tools Required:

- Drill
- Cross pin
- Appropriate screwdriver
- Safety goggles

Installation Steps:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing front sight blade if applicable.
- Align the new fiber optic front sight with the sight base.
- Drill a hole for the cross pin as specified in the product instructions.
- Insert the cross pin securely to hold the front sight in place.
- Confirm that the sight is firmly attached and properly aligned.

Usage Instructions

- Choose between the red and green optic rods based on your preference and visibility conditions.
- To change the optic rod:
 - Remove the existing rod by unscrewing or pulling it out as per the design.
 - Insert the desired color rod until it is securely in place.
- Regularly clean the sight to maintain visibility and performance.

Disposal Instructions

- Dispose of the product in accordance with local regulations for nonhazardous materials.
- Do not dispose of the product in regular household waste if it contains any electronic components.
- Contact local waste management authorities for guidance on safe disposal of firearm accessories.

Contact Information for Further Support

For safety inquiries or further assistance, please reach out to your local distributor or retailer. Ensure you have the product details ready for a more efficient response.

By following these guidelines, you can help ensure your safety and the safety of others while using the S&W Revolver Fiber Optic Front Sight. Thank you for your attention to these important safety measures.
