

1911 HEAVY DUTY SLIDE STOP - EGW .45 ACP, SS, .200"

[Handgun Parts](#) > [Frame Parts](#) > [Slide Catch Parts](#) > [Slide Catches](#)

Machines From Hardened Steel For Maximum Strength & Durability; Standard & Oversized Pins Available

Heavy duty slide stop is precision machined from steel bar stock, then heat-treated for superb hardness and durability. Ensures a precise fit to frame for secure, consistent lockup; prevents slop or "play" that can compromise accuracy. Available with standard .200" diameter pin or oversized .203" pin for custom fitting to ensure the tightest possible lockup for maximum accuracy. Both sizes available in blued 4140 carbon steel or stainless steel, both with a fine bead-blasted matte finish. Fine-line serrations on pad give your finger secure purchase to release the slide on the first pass.

Attributes

- Name: [EGW .45 ACP, SS, .200"](#)

Safety Instruction Guide for 1911 Heavy Duty Slide Stop EGW .45 ACP

Introduction

Thank you for choosing the 1911 Heavy Duty Slide Stop by EGW. This product is designed to enhance the performance of your firearm while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use, install, and dispose of the slide stop safely and responsibly.

General Safety Guidelines

- Always handle firearms with care and respect.
- Ensure the firearm is unloaded before installing or handling the slide stop.
- Keep the slide stop out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Regularly inspect the slide stop for wear or damage before use.
- Report any unsafe products or accidents to local authorities immediately.
- Check for recall updates on the EU's Safety Gate platform to stay informed about product safety.

Specific Safety Precautions for Use

- Ensure the slide stop is compatible with your firearm model (Government, Commander, Officers).
- Use only the specified pin diameter (.200" or .203") for your installation to ensure a secure fit.
- Avoid using excessive force during installation to prevent damage to the slide stop or firearm.
- Do not modify the slide stop or firearm beyond the manufacturer's specifications.
- Always wear appropriate safety gear, such as eye protection, when handling firearms.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary tools, including a punch tool and a hammer.

2. Installation:

- Remove the existing slide stop from your firearm.
- Align the new slide stop with the frame.
- Insert the pin into the designated hole, ensuring it fits securely.
- Use a punch tool and hammer to gently tap the pin into place if necessary.
- Ensure the slide stop operates smoothly and locks securely in place.

3. Usage:

- To release the slide, place your finger on the fineline serrations of the slide stop pad.
- Apply firm pressure to release the slide on the first pass without slipping.
- Regularly check the functionality of the slide stop during routine firearm maintenance.

Disposal Instructions

- Dispose of the slide stop in accordance with local regulations.
- If the slide stop is damaged or no longer usable, do not attempt to repair it.
- Contact local waste management services for guidance on proper disposal methods.

Contact Information for Further Support

For any inquiries regarding the safety and use of the 1911 Heavy Duty Slide Stop, please refer to the manufacturer's contact information or visit the official website.

Thank you for prioritizing safety and responsibility while using our product. Enjoy your enhanced shooting experience with the 1911 Heavy Duty Slide Stop by EGW.
